

THAT CROSSROADS BUS-WAITING SHELTER will soon be a reality, as this picture proves. The occasion was the donation of a \$825 check to the Orinda Chamber of Commerce and the Contra Costa County Commuters Association by the Shell Oil Company, the money to be used to pave the area adjacent to the remodeled Shell station at the crossroads, as a site for the bus shelter. Left to right are: Front row, A. I. Plomeren, Oakland district manager, Shell Oil Company; President Ramsey Underwood of the Chamber of Commerce, Ken McKee, Shell Oil Company real estate and development representative; Arthur W. Bowman of Orinda, a director of the Commuters Association; Joseph D. Nicolet, construction committee chairman, and Arthur Baschen, detail drawings committee chairman, back row, John E. McKirahan, until last week secretary of the Commuters Association, and William Worden, chamber bus depot committee chairman. McKee is handing the check to Bowman. The shelter has been a project of the Chamber of Commerce for many months. Money raised last year at a C. of C. dance and donations by Orinda residents are sufficient for the basic lumber.

Orinda, Lafayette Join in Cost-Study Of Incorporation; Spiegel on Committee

Orinda is joining in the incorporation study recently launched by the Lafayette Improvement Association. Ernest Spiegel has been named by President Kirk Miles to represent the Orinda Association on the study committee now starting its work.

Next meeting of the committee is set for November 20, according to Chairman Harold Furst of Lafayette. An initial organizational session was held October 10 at Furst's home, but Spiegel was unable to be present.

Miles explained at Monday night's meeting of the Civic Affairs Committee at Orinda School that President W. B. Scarborough of the Lafayette Improvement Association had invited the Orinda Association to have a representative participate in the discussions.

DELIBERATIONS of the committee, according to Furst, probably include advisability of a unified Lafayette-Orinda city, as well as cost aspects for incorporation of each separately and cost to each community under the state legislative "urban unincorporated" proposal, now in interim study.

Supervisor Jack Cummings, present at the Civic Affairs session, reported that the County Supervisors Association of California and the League of California Cities are attempting to work out some agreement on the so-called "fringe area" problem. A meeting of the two groups was scheduled for last night at the Fairmont Hotel in San Francisco, he said.

Furst said today that the general conclusion reached by the incorporation study committee was to obtain a picture of the level of services desired of an unincorporated Lafayette or Orinda, or by a unified municipality of the two.

The committee delegated Furst and Ralfe Miller to consult University of California authorities on minimum level and level of services. That information is expected to be ready for the November 20 meeting, he said.

UNIVERSITY EXPERTS whose advice will be sought, according to Furst, include Professor T. J. Kent, chairman of the City Planning Department; Professor Orlando W. Wilson, head of the Criminology Department; and Professors Sam May and Joseph Harris of the Public Administration Section of the Political Science Department.

The committee chairman stated that after the report on service levels are in, it is planned to discuss with some impartial study group, such as the Coro Foundation of San Francisco or the Bureau of Public Administration at U. C., the possibility of preparation of a new study of the impact of incorporation on the area.

Such a study, dealing with function and cost of incorporation, would be put out to the community at large.

"WE'RE NOT PREPARED yet to do anything regarding study of possible costs involved in the urban unincorporated proposal before the State Legislature, because it is not known what form this will take after its interim legislative study," Furst said. "There's at least a year, maybe two, before 'urban unincorporated' again becomes an immediate problem."

"The main thing is to have all information available so that when we're faced with the 'urban unincorporated' problem, the community can make an intelligent decision on whether to incorporate as a city or not. The public should be kept fully informed."

"The committee has no strong feeling one way or the other, regarding incorporation. Our job is that of a fact-finding group, providing an educational program for the community. The public will have to make the decision. If it doesn't make a decision on important matters, a decision is made anyway, by others—usually against the interests of the community."

The chairman disclosed that the committee will be expanded; he said Scarborough had been asked to name a businessman to the group.

"WE'RE VERY HAPPY to have Ernest Spiegel join us," he said. "The problem is one for both Lafayette and Orinda, and the study should be far broader than just a Lafayette Improvement Association project."

"We've looked at figures from other communities. It's apparent that the determining factor has to be the level and quality of service. From that, we can go on to the subject of costs."

Want More Info On \$1.75 Tax? Get It Nov. 5!

Orinda residents were urged this week to attend the November 5 meeting of the Orinda School Board, so as to hear the board's explanation of the need for a \$1.75 tax limit, regarding which the voters will cast their ballots December 4.

Board President Edgar Stewart, appearing before the Civic Affairs Committee Monday night, stressed the importance of public understanding of the problem, and remarked that in the past there has been poor attendance at meetings where important school problems have been discussed.

The school board meeting will be at the Orinda School at 8 p.m.

Paper Drive OK, Halloween Party Near, Lions Told

Reports on the success of the Boy Scout paper drive last week, read by President Jerry McKinley, and a resume of progress in plans for the Halloween party given by Chairman Stewart. Wade were among highlights of the Orinda Lions Club board of directors meeting Wednesday night. The session was held at McKinley's home.

Several other projects of community betterment were given consideration by the board. Present at the meeting were George Hartzel, Sr., George Hartzel, Jr., Don Hunter, Mat Allen, Dr. Elmer, Joe Navone, Mac MacVicker, Paul Vashell, McKinley and Wade.

William J. Field Services Held

Funeral services for William J. Field of Orinda were held Saturday morning from the Chapel of the Oaks, Oakland following his death October 11.

Survivors include his widow, Hazel A. Field; a son, Robert W. Field; a daughter, Janet Lou; a grandson, Robert W. Field, Jr., and his grandmother, Isabell Wilson. Mr. Field was a native of Salt Lake City, Utah.

Cummings Says Improvement of Road Probable If 'Missing' Bond Is Found

Supervisor Jack Cummings told the Orinda Association's Civic Affairs Committee Monday night that if a 14-year-old \$200 bond is still intact with the county, as claimed by George L. Courtney of 25 Woodcrest Drive, the money can probably be used for improvement of Moraga Via.

"If the money is still up, I'm quite sure the road can be built up," Cummings said. "I'll be very happy to go into the whole story. If the bond is still there, it would probably be enough to care for the road."

Cummings informally visited the Civic Affairs session at Orinda Grammar School and stayed for the early part of the meeting.

COURTNEY RELATED the mystery of the 1937 bond, posted by the Moraga Land Company, to Civic Affairs Committee last month, contending that the county could forfeit the bond, use the money to improve Moraga Via and then accept the road into the county system.

He claimed that after original road work by the company in 1937, the Moraga Company overlooked (1) having the county accept certain roads and (2) pulling down its bond.

OTHER BUSINESS at the Civic Affairs meeting included: 1.—Report by Chairman Zach Montgomery that the phone company is studying possibility of installing a Moraga phone in the new fire house.

2.—Decision that the annual membership drive of the Orinda Association, to be directed by Civic Affairs, will again be a thorough phone solicitation of the community, to be accomplished in November, with election of directors to

Civic Affairs Endorses \$1.75 School Tax Limit

After explanation by Edgar Stewart of the needs of the Orinda School District, the Civic Affairs Committee of the Orinda Association Monday night unanimously endorsed the school board's proposal for a tax limit of \$1.75 per \$100 assessed valuation for seven years beginning July 1, 1952.

The Civic Affairs group, meeting at Orinda Grammar School, requested the association board to endorse the tax-limit proposal.

Stewart, president of the Orinda School Board, explained that the present \$1.50 tax limit expires June 30, 1952.

COST OF ACQUIRING a 14-acre site at the west end of Washington Lane in Sleepy Hollow and of building a grammar school there will be about \$325,000, Stewart estimated. Present taxes plus sales will bring funds with which the district can tackle the job to only some \$270,000, he said.

"We're hopeful of cutting down costs in several ways," Stewart stated. "The initial plant—six classrooms, a kindergarten room and office space—will occupy only about 60 per cent of the site. We hope to work out an arrangement with East Bay Municipal Utility District to pay for that portion of the site and to take an option on the rest. In any way we will save \$200 of the \$320,000 purchase price, for the time being."

"Also, we hope to defer paying and playground construction until after next July."

"WE SHOULD BE ABLE to have the plant open by next fall," Ramsay Underwood asked. "If the voters approve the \$1.75 tax limit, do you contemplate a \$1.75 tax rate for each of the seven years?"

"I don't think so," replied Stewart. "We've had a \$1.50 tax limit for almost five years, and this is the first year we've had a \$1.50 rate."

Stewart reported that possible economies in the heating and lighting systems are being studied.

Institute Day . . . No School Monday

No school Monday for students at local grammar schools and at Acalanes High School. Reason? It's Institute Day—meaning the day when teachers visit schools in other districts.

Cummings Says Improvement of Road Probable If 'Missing' Bond Is Found

Supervisor Jack Cummings told the Orinda Association's Civic Affairs Committee Monday night that if a 14-year-old \$200 bond is still intact with the county, as claimed by George L. Courtney of 25 Woodcrest Drive, the money can probably be used for improvement of Moraga Via.

"If the money is still up, I'm quite sure the road can be built up," Cummings said. "I'll be very happy to go into the whole story. If the bond is still there, it would probably be enough to care for the road."

Orinda Asks 9% Fire Insurance Cut

Vol. IX, No. 31

Lafayette — Orinda, California — Friday, October 19, 1951

Ten Cents

Fire Board Seeks Reductions After Improvements

A reduction in fire insurance rates may be in the offing for Orindians, Fire Commissioner Gilbert Earle announced this week.

Selection of a site for a third Orinda fire house in Sleepy Hollow may be made at Thursday night's meeting of the Orinda Fire Board, Commissioner Gilbert Earle stated.

Earle explained that an application has been made to the Pacific Fire Rating Bureau for a 9 per cent reduction in fire insurance rates on both residential and business structures.

"At the time we floated the \$135,000 bond issue a year ago, we received assurances in writing from the bureau that upon completion of our expansion program they would re-rate the area."

"This assurance presented two stages—first, establishment of fire station 2 and acquisition of a 1000-gallon pumper, which the bureau indicated would result in a 9 per cent reduction; second, building of a third station in Sleepy Hollow, to mean another 10 per cent reduction."

"THE FIRE BOARD has notified the bureau that we have completed the first step, and that we desire the 9 per cent reduction on that."

Decision to request the reduction was made at the September 27 meeting of the board, Earle said.

The third fire station is "probably a year or two away," according to Earle.

"BUT," HE ADDED, "we have one or two sites under serious consideration and we hope to make some definite commitment at our meeting October 25. That would mean selection of a site and deposit of an offer to purchase."

Fire Chief H. E. Wyatt explained that the rate reduction, if granted, would reduce the Orinda Fire District from Class 6 rating to Class 5. A subsequent reduction, following completion of the Sleepy Hollow station, would result in Class 4 rating, he said.

County Changes Two Road Names

Names of two roads in the Moraga Del Rey section were changed by the Board of Supervisors Monday, La Mesa Court was changed to Carmen Court, and Hardin Drive to La Cresta Road.

Both changes had been requested by Dr. L. McCaskey of the Moraga Del Rey Community Association, which has been active in the area desired by the Orinda Fire Department and the Orinda Post Office.

The supervisors sold \$77,000 of Orinda Union School District bonds to the Bank of America, with net cost to the district to be \$40,346. This is part of the \$400,000 bond issue voted in July, 1950, and bring to \$214,000 the amount so far sold, leaving \$186,000 worth still to be sold.

Homes Here Give \$5500 to Scouts

Total of over \$5500 has been reported raised in the residential sections of Orinda in the recent annual combined Girl Scout-Boy Scout finance drive.

Mrs. Abe Doty, chairman for the Moraga side, reported \$2,357.35 collected, and Mrs. Ritchie Smith and Mrs. Beach Dean, co-chairmen for the Orinda side, reported a total of approximately \$3,100.

Business area donations and advanced gifts are still to be reported.

Dr. Hall Predicts Year's Step-Up For H.S. Here

Rapidly growing high school student enrollment, including an anticipated jump of over 100 per cent in the Orinda area in the next four years, may step up construction of the Acalanes High School District's third high school by a full year, Dr. Charles Hall of the district board declared Monday night.

Dr. Hall made his estimate in a report to the Civic Affairs Committee of the Orinda Association, at a meeting at Orinda Grammar School devoted mainly to the subject of taxes. He and President Edgar Stewart of the Orinda School Board explained the needs and expansion programs of their respective districts.

(See separate story on Stewart's report.)

Final agreement was reached last week on purchase of the Moraga Land Company of a 52-acre site three miles south of the Crossroads for \$125,000. At the time, District Superintendent Neil M. Parsons said construction was planned to start not later than 1955.

"I'M CONVINCED," Dr. Hall told the Civic Affairs delegates, "that we'll have to set construction ahead one year—to have the work done in 1954-55, so as to have the plant open by the fall of 1955."

Pointing out that estimates of enrollment have always proved low, Dr. Hall stated that present estimates are that high school population throughout the Acalanes district will increase from the current 1235 to 2255 in 1955.

"This would probably mean that the number of high school students in the Orinda area would go up from the present 241 to between 500 and 600 by 1955," he said.

HE STATED THAT the district board hopes to be able to construct a \$250,000 "initial plant" without having to try to raise the tax limit of \$1.50 per \$100 assessed valuation. The limit for bonds, he added, is 40 cents.

Present tax rate is \$1.35, and Dr. Hall said, "We hope to be able to hold the rate at that, but, of course, we're not sure."

"We're planning to start with a four-year high school at the new site, provided we have the funds and if we can keep bonded to the limit," he added.

"If you have any ideas on how we can 'shave' expenses and economize, I'd welcome them."

Pointing out that the district is having trouble obtaining steel, he said, "We may be forced to use frame construction."

The contemplated initial plant would include seven classrooms, a science room, a commerce room, an art room, two homemaker rooms, a crafts room, a music room, a gym, two locker buildings and an administration building.

The site is between Orinda and Moraga, on a six-lane creek that parallels Moraga Highway, on the west of the road.

Want Your Mail Delivered? Better See That Your Box Is Properly Numbered!

In an effort to encourage proper displaying of addresses—lack of which has long been a headache to mail carriers—Postmaster Laura Mallary announced this week that delivery of mail to new patrons will not be started "until the box is numbered and otherwise meets regulations."

At the same time, Mrs. Mallary reported that a sixth street corner established October 1, along El Camino Moraga, in the Moraga Del Rey section.

Mrs. Mallary observed: "The tale of woe in a letter to the editor in a recent issue deserves a front-page spread. I refer to the one written by an employee of Mr. Simpson complaining about the lack of house numbers in this area."

(Editor's note: The letter was from Franklin T. Pesk of Simpson's Interiors and was published in the October 5 Sentinel.)

The postmaster reported on an attempt which had just been made to deliver a special delivery letter.

"NOT ONE OF THE three houses on the block had a house number," she said. "None of the occupants were home. It was necessary to go to a house on another street to find out where the person lived."

"Obviously a 15-cent fee does not pay for the time of a carrier and a car if they have to travel any distance, and by the time the carrier wanders around for 10 or 15 minutes, a needless loss of government funds is incurred."

MRS. MALLARY URGED that the address be placed on each mail box and on each house "in this whole area."

"We tried to do the former regularly and got some results," she said, "but haven't had time to follow up."

"From now on we are not going to start delivery of mail to new patrons until the box is numbered

and otherwise meets regulations." "POSTAL REGULATIONS" regarding mail boxes apply to all patrons of the motor vehicle service—not only new patrons, the postmaster emphasized. The Post Office Department requires that boxes shall be so placed that they may be conveniently served by the carriers without getting out of their cars. In other words, no trees or other obstructions are in front of a mail box, the carriers are directed to bring the mail back to the post office.

Mrs. Mallary pointed out that since July 1 all boxes were supposed to be numbered on the door of the box in figures at least one inch high.

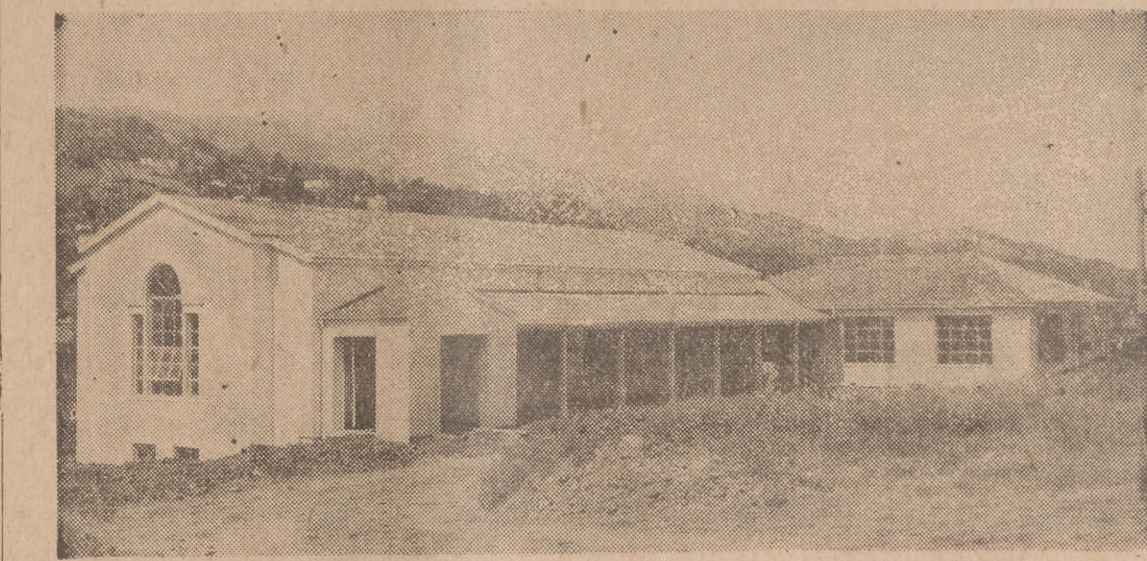

OTHER REQUIREMENTS, listed in a bulletin of last summer to Orinda residents from Mrs. Mallary, include:

"New patrons should contact the post office or the carrier en route before erecting a mail box in order to receive directions for the exact location. The bottom of the box should be 46 inches from the street level. Required height for large boxes is 40 inches."

"STANDARD MAIL BOXES are required. They are available at all hardware stores. Anyone wishing to use a decorative box should place the standard box inside. The post should be installed firmly in the ground."

"In bad weather it is the responsibility of the property owner to fill any mud holes in front of the box with gravel. Carriers are violating postal regulations if they get out of their cars to deliver ordinary mail."

"Carriers are required to pick up mail in boxes where the flag is up even though there is no mail to be delivered. Patrons are requested to oil the mechanism from time to time for ease in handling."

ORINDA COMMUNITY CHURCH'S recently completed new chapel and classroom unit will be formally dedicated at services at 11 a.m. this Sunday. The sermon will be preached by Rev. Harley H. Gill, superintendent of the Northern California Congregational Conference. Others participating in the service of worship will include Rev. Fred R. Morrow of the Orinda Community Church, Bishop George A. Miller of the Lafayette Community Methodist Church, Rev. Godfrey Matthews and C. Ray Fowler. — Tribune photo

Plan Formal Dedication of Newly Completed Chapel-Classroom Unit

That Prize Money Will Buy Books, Records, Fish . . .

Most of the classes in the Glorietta School have already planned what to do with the money they were awarded for their 100 per cent enrollment in the recent membership drive by the Mothers Club, according to Mrs. John Cooper, membership chairman for the school.

Many of the classes are buying books or records for classroom use, and entertainment, but there is also a trend in the middle grades (third and fourth) toward more exotic classroom fare than books or records.

THESE GRADES HAVE decided with no "coaching from teacher" that they want to purchase fish or all the elements of an aquarium for class education.

Mrs. Anderson's sixth grade, big money winner in the drive with \$5 awarded by Mothers Club, plans to buy a tree or shrub to beautify the school grounds, the remainder to be spent on a class album.

THE MORNING KINDERGARTEN, Miss Haviside's, will enjoy the use of bean bags they will make with their \$3 from Mothers Club.

One class, Miss Collings' fourth grade, is remaining aloof from other classes, and announced that their prize money purchases are to remain a secret (at least for the time being).

12 Get Awards at Troop 207 Court

Twelve boys received awards at Troop 207's Court of Honor October 2. Joe Conley, awarded his Leathercraft merit badge, completed the 21 badges required for Eagle rank and so becoming a candidate for Eagle Scout.

Merit badges were also awarded Phil Hunter, John Conley, David Oakley and Allan Sutton.

John Dodge, Stephen De Maria, Stephen Parks, Frederick Morris, David Brown, Charles McQuiddy and Wendell Williams were given their Tenderfoot rank.

Neighborhood Commissioner Bob Nordquist opened and closed the ceremony. Scoutmaster T. G. Cullen conducted the Tenderfoot investiture. Merit badges were awarded by Scoutmaster T. G. Cullen, Scoutmaster Paul Oakley, Bill Corbett and Harry Parks.

Phil Hunter was made junior assistant scoutmaster. Committee Chairman Joe Downs and Advancement Chairman Joe De Maria also took part in the program.

Dance Saturday

Moraga Valley Community Club's first dance of the fall season will be held Saturday night at Moraga School, from 9 p.m. to 1 a.m.

School Board Seeks 4th Site!

That moves for acquisition of a fourth grammar school site in Orinda—12 acres of Moraga Company land in the Moraga Del Rey section—are in the "talking stage" was revealed to the Civic Affairs Committee Monday night by President Edgar Stewart of the Orinda School Board.

"The site abuts Camino Del Moraga between the two creeks, and is almost contiguous to the new high school site," he said.

Superintendent of Schools Joseph L. Sheaff today described the land as about 1500 feet north of the high school site and about a quarter of a mile west of Moraga Highway.

Camera Club Has Officer Election

The Contra Costa Camera Club heard an interesting talk illustrated with color slides of scenes of Virginia City and the old Comstock mines by Walter Clark of the Oakland Camera Club at its Saturday meeting.

The following officers were elected: President, S. G. Culver; vice-president, Jule Lindsey; treasurer, C. P. McVicker, and secretary, Dr. George Fraser. These officers will be inducted at the Camera Club's annual business meeting and dinner Tuesday at Stan's Brick House, Walnut Creek. Trophies will be awarded for the best prints and color slides of the year submitted by members.

Boy Scout Troop 200 Wins Camping Ribbon

Boy Scout Troop 200 participated in the Diablo Area Camporette at Curry Creek on October 6 and 7 and was awarded the blue Proficient Ribbon for their camping.

Your Garden

Let's See, Now—Just What Went Wrong With Vegetables You Grew This Year?

By BERT WRIGHT

IN ORDER TO PROFIT from this year's gardening mistakes as well as successes, it is a good idea to jot down items on both the debit and credit side of your good gardening practice ledger. Then, when spring comes, you'll remember what to do and what not to do next year.

Look back through the past gardening season; maybe some of the following experiences were had by you or perhaps they will recall similar ones to mind.

DID RADISHES go to waste? . . . If you planted an entire packet at one time, they probably did, unless you were extremely fond of radishes.

Ordinarily it is best to sow the seed from one packet over a period of three weeks or two weeks at the least. In this way the radish crop will be spread out in maturity so that you can keep up with them.

WAS YOUR SWEET CORN stunted and light green, with the lower leaves yellowing and dying? . . . If it was, you went to light on the fertilizer.

Possibly you used the recommended rate of two pounds per 50 feet of row when you planted the corn, but if you had sandy soil, summer rains may well have leached out much of the nitrogen.

Side dressing the corn with one pound of plant food per 50 feet of row at the age of six weeks will be a good thing to do next year.

DID THE SQUASH BUG or squash vine borer ruin your crop right at its peak? . . . Control of these pests is admittedly very difficult once they get started.

Next year, before your squash start to spread out, sprinkle ground limestone thickly over the top of the hill and the lower five or six inches of vine. The bright, intense white seems to repel both the borer and the squash bug from drilling into the base of the stalk, where they do their most harm.

WAS YOUR CAULIFLOWER red-dish in color and bitter tasting? . . . I'll bet you didn't tie it up.

To keep cauliflower heads sweet and white, you need to tie the leaves up over the heads to keep the sun away.

WERE YOUR TOMATO vines light green in color and poor yielders? . . . Don't blame the plant—it was just another case of skimping on the fertilizer.

Tomatoes are heavy feeders and can use lots of plant food.

HOW ABOUT YOUR peas? Were they a success or did late planting cut down your yield? . . . Peas don't like hot sun or dry weather, so the earlier you can plant them, the better.

"June peas" are just that—July peas are not very satisfactory.

These are just a few vegetable gardeners' troubles; I haven't even considered the woes of a rose grower or a flower enthusiast!

Covenant Church Raises \$1600 for Jubilee Appeal

The response in the Mission Covenant Church of Lafayette to the Golden Jubilee Appeal of the Mission Covenant Association of California reached \$1600 by last Sunday.

Goal for the state is \$100,000. The fund will be used to launch a more aggressive and comprehensive home missions program by enabling the association to build chapels and churches in the needy areas.

An average response of \$20 per member is hoped for. The local group has passed that goal, but hopes to do better yet.

Last Sunday Rev. and Mrs. John Conaway, of Turlock, missionary candidates to South America, were the visiting speakers in the Covenant Church. The pastor, Rev. Joel S. Peterson, will continue his evening series on the Parables, using as his subject next Sunday, "The Four Soils."

The Sunday School meets at 11 and the evening service is at 7. The young people will meet at the Ed Peterson home on Boyer Circle at 7:30.

Rev. Carl Bolin was appointed Sunday School superintendent for the balance of the year.

African Violet Winners Listed

Top winners in the African Violet Show last weekend at Orchard Nursery were Mrs. Lillian Henningson of Piedmont, who won the sweepstakes award for the most ribbons; Mrs. B. R. Hoerr of Oakland, second place; and Marjorie Yarrington of Berkeley, third.

They are all members of the African Violet Society of the Eastbay.

Other ribbon winners were Mrs. C. E. Yarwood of Berkeley, Katherine Darcy of Lafayette, Esther Mainwaring of Berkeley, Mrs. R. H. Hansen of Walnut Creek, Mrs. C. S. Holdeman of Concord and Mrs. J. E. Culver of Lafayette.

The show was attended by a record crowd.

Acalanes Methods Impress Uganda's Baalamu Kasa

Finding Acalanes High School and the story of its development a source of many inspiring ideas for use in the field of education in his own country, Baalamu Kasa, prime minister of Uganda, continued on his tour of the United States after spending two days visiting in Lafayette.

Kasa, who is in this country at the invitation of the State Department to rather helpful information in education and agriculture for the benefit of the people of Uganda, was luncheon guest at the home of Mr. and Mrs. George Houghton of Moraga Boulevard recently. It was the first time that the prime minister had had the opportunity of visiting in the home of an American family living in a suburban area such as Lafayette.

Uganda is in Central East Africa, at the headwaters of the Nile, and has a population of some 4,000,000 people. As prime minister, Kasa is also chief adviser to the king of Uganda.

During Baalamu Kasa's visit in the Bay Area he toured the University of California, both at Berkeley and Davis, and also several smaller colleges. He also inspected many of the schools in the Bay Area, but was the most impressed by Acalanes High School and its development.

The plans followed by the local school authorities were the most feasible for use in his homeland, according to Houghton, director of adult education at Acalanes.

The visitor also made an inspection tour of the new Las Lomas High School in Walnut Creek.

During his stay in Berkeley, the prime minister was the guest of Commander and Mrs. John S. Graham, parents of Mrs. Houghton. Commander and Mrs. Graham, Geoffrey Pugh of England and William Harris of Canada were luncheon guests at the Houghton home, along with Kasa.

Canyon 1st Aid Class Planned

The Canyon Women's Club meeting October 11 at Canyon School was presided over by President Ellen Crawford. A report from Red Cross Chairman Mrs. Robert O'Neil stated that a first aid instructor would be available in Canyon early in January, when classes will be held at Canyon School.

New drapes bought by the club and made by Mrs. Marcie Engle and Mrs. Alice Mayberry will be hung by the scouts, who will also paint the school kitchen cupboards.

The women voted to furnish and serve a ham dinner to men participating in the cleanup day at the school next Sunday. A report from Dance Committee Chairman Alice Mayberry stated that plans for a Hard Times dance November 10 at the Hall are completed.

Camp Fire and Blue Bird leaders reported that the potluck supper held two weeks ago brought in \$40.

A new policy was adopted: At each meeting there will be some form of entertainment, members to take turns, acting as a committee of one to select entertainment of their own choosing, which may range from slapstick comedy to a serious talk by a guest speaker.

Mrs. Velma Clousen will be the "committee" for November.

As Secretary Doris Bayliss is leaving Canyon, Mrs. Johnnie Thune was voted into that office.

Schneiders Fly East on Business

Jack Schneider flew to New York Tuesday on a business trip. He expected to be gone three weeks.

Schneider will visit large greenhouses and growers of nursery stock in the East and Midwest, with the view of purchasing products for Orchard Nursery, of which he is co-owner with Stewart Wade. While in New York City he will visit his brother Richard, producer of a number of T. V. shows, including the Kate Smith show. Mrs. Schneider is also on the trip.

May Have Daytime Sewing Classes

Possibility of having a daytime sewing class at Veterans Memorial Building in Lafayette, sponsored by the Acalanes Adult Education Program, was revealed yesterday by George Houghton, Acalanes Adult Education director.

Persons interested in a sewing class should call the Acalanes Adult Center, W. C. 6707, Monday through Thursday evening, 7 to 10.

Other classes still open include creative writing, woodworking, tailoring, knitting, silk screen printing, art still life and wood carving.

Wood carving students, who have been turning out projects represent-

Canyon Callings . . .

FOR NINE-YEAR-OLD Jimmy Lalley "Blue Monday" was doubly so: His cocker puppy ate poison and died—just before Jimmy was taken to Martinez for a stay in the hospital with an acute earache.

Mrs. Marcia Engle, local chairman for the Crusade for Freedom drive, announces that there has been a very good representation from Canyon. All children at school put their signatures on the scroll.

A recent visitor at the home of Mr. and Mrs. William A. Chisolm was William Weiser of Rochester, N. Y. Weiser, who is Mrs. Chisolm's brother-in-law, expects to stay in California about six weeks.

Mrs. Robert O'Neil left October 8 for a six-week auto tour with her parents, Mr. and Mrs. J. N. Dew of Los Angeles. They plan to visit relatives in San Antonio and then on to Springfield, La., and Washington, D. C. Weather permitting, they plan to return home via Cape Elizabeth, Maine. During Mrs. O'Neil's absence, her daughter, Mrs. Lauren Smith, will be "in charge"—with the help of Mr. O'Neil and the twins.

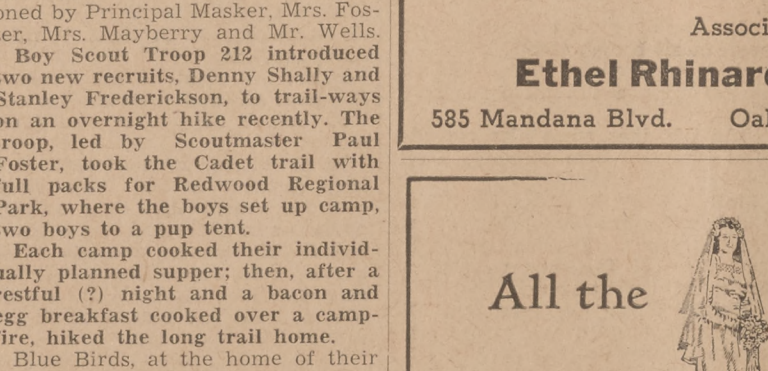

Mrs. Floyd T. Cook and children, Floyd Jr., Paula and Nancy, are new residents of Canyon, renting the Wolf house, until her husband, who is in the Air Force, returns from overseas. Mrs. Cook, who is the sister of Mrs. Pat King, recently arrived with her husband and children from Randolph Field in San Antonio.

THE UPPER GRADES of Canyon School enjoyed the trip to Oakland and the tour through the Oakland Tribune building much more than they did the struggle to write an essay on what they saw there. The children were driven and chaperoned by Principal Masker, Mrs. Foster, Mrs. Mayberry and Mr. Wells.

Boy Scout Troop 212 introduced two new recruits, Denny Shally and Stanley Frederickson, to trail-ways on an overnight hike recently. The troop, led by Scoutmaster Paul Foster, took the trail with four packs for Redwood Regional Park, where the boys set up camp, two boys to a pup tent.

Each camp cooked their individually planned supper; then, after a restful (?) night and a bacon and egg breakfast cooked over a campfire, hiked the long trail home.

SHOW OF NATIONAL CHAMPIONSHIPS

World Champ Aids New Chess Club On Flying Start

Those who turned out to see George Koltanowski, world's blindfold chess champion, play at Acalanes High School October 10 were treated to excellent chess playing, a marvelous demonstration of memory and a fellow with a keen photographic mind.

All outstanding qualities came to the surface during his two exhibition matches. Koltanowski's first exhibition came in simultaneous chess when he played 16 opponents at the same time. Walking from board to board he would make immediate moves while his opponents had time to concentrate on their next move. The world's champion came through this encounter without a loss.

HIS NEXT EXHIBITION was a rare one. In order to make matters more difficult for himself, Koltanowski played blindfold chess rapid transit. An electric clock was used. Every 10 seconds a bell would ring and the player had to move in his allotted time. The chess master played three opponents and again came through unscathed.

Koltanowski's appearance here was in connection with the formal gathering of the new chess club being formed in this area. The club plans to hold a tournament to classify its players. They will then look out for outside competition.

New members include Melvin Lee, Clem Renzi of Saranap, R. T. Hughes of Lafayette, Danny Van Arsdale of Concord, H. Porter of Concord, P. E. Edwards of Walnut Creek, P. A. Lathrop of Orinda, Bedson Juett of Concord, R. H. Gercke of Concord, J. R. Glover of Pittsburg, C. T. Coffee of Orinda, S. G. Behrend of Oakland, Hugh W. Morison of Walnut Creek, Eldred E. Edwards of Walnut Creek, Dr. Harold Robinson of Walnut Creek, Dr. Joseph Vizzard of Lafayette, Connor Schroth of Lafayette, Mrs. George Schroth of Lafayette and Frank Olivera of Pittsburg.

Toastmasters Meet Harold Rogers, Alfred Malnick and Frank E. Snedeker were the scheduled speakers at last night's weekly meeting of the Walnut Creek Toastmasters Club in the Walnut Creek "Town Hall" (the old Methodist Church building on Locust Street).

Presiding was Toastmaster Ray Cornelison, new president of the group, which serves Central Contra Costa County. Cornelison succeeds Bob Johnson as president.

There is little time left to see the colossal triumph of Virtue over Evil as presented in "Dirty Work Afoot."

Nineteenth Century Hero Hubert Huston blushes generously over all the fine phrases other members of the cast are getting. Can he help it if he does most of the acting flat on his back, after various daring encounters on behalf of beautiful Heroine Rosita?

Diablo Forum Series Plans 'Meet Author'

The second of the autumn series of cultural programs held at Diablo Country Club by the Diablo Tuesday Morning Forum is slated for November 13. Ken Carnahan will present "Meet Your Author," interviewing a well-known writer for the occasion.

A piano recital of Christmas music presented by Wanda Krasoff will conclude the series on December 11, 2:30 p. m.

Area sponsors for the Forum program, which opened last week with a dramatic play reading by Margaret Woodall, are:

Mrs. Melvin S. Jacobus and Mrs. Kendric B. Morrish of Orinda, Mrs. Fred B. Taylor and Mrs. Howard B. Flanders of Walnut Creek, Mrs. Paul Cadman and Mrs. Raymond P. Tolles of Lafayette, Mrs. Gerald Deardorff of Danville, Mrs. Lowell F. Steel and Mrs. Thomas F. McBride of Concord, Mrs. Jackson Calvin and Mrs. William E. Boyd of Alamo and Mrs. Henry T. Sax of Martinez.

Dirty Work Afoot Nearing Close of Its Thriller-Run

This weekend and next, "Dirty Work Afoot" will end its run at Lafayette Town Hall. Tomorrow night, next Friday night, and Saturday night, October 27, are the last chances to see the madcap comedy, Ohio being presented by Lafayette Playshop. Curtain time is 8:30.

Tickets may be obtained from members of the Lafayette Playshop, Lafayette Pharmacy, Davies' Realty Office—or at the box office on performance nights.

All tickets sold before tomorrow night will be honored that night, but tickets for October 26 and 27 are being sold by the Parkmead Parent-Teachers Association, which is sponsoring these performances for playground equipment for their school. These tickets may also be obtained at the box office.

There is little time left to see the colossal triumph of Virtue over Evil as presented in "Dirty Work Afoot."

Nineteenth Century Hero Hubert Huston blushes generously over all the fine phrases other members of the cast are getting. Can he help it if he does most of the acting flat on his back, after various daring encounters on behalf of beautiful Heroine Rosita?

'Paradox' Topic For Reading at Church Lecture

Mrs. Duncan Knudsen will read "The Paradox of Salvation" at this Sunday evening's lecture program at 7:30 at Our Savior's Lutheran Church in Lafayette. Her reading will be taken from Dr. Peter Marshall's best-seller, "Mr. Jones, Meet the Master."

Pastor Luther Berven will discuss the topic, "What Christians Believe About Man."

At the morning services at 8 and 10:45, Pastor Berven will speak on the sermon topic, "Fishing Fever," using as his text Luke 5:10.

In this verse Jesus says to Peter and James and John, "Fear not; from henceforth thou shalt catch men."

The Sunday School hour, which opens with the "Family Service," begins at 9:30 a. m.

The Senior Luther League will meet at the church on Monday evening at 7:30. This meeting is open to all interested boys and girls from the age of 14 and up.

Chorus Rehearsal For 'Messiah' To Start Monday

The Acalanes Evening Chorus begins rehearsals next Monday night at 7:30 for its annual Christmas presentation of Handel's "Messiah."

The chorus, which will practice every Monday night at Acalanes High School, will again be under the fine direction of Bruce C. Handley.

This year will mark the fifth time that the group has presented the "Messiah." Acalanes High School sponsors the chorus as part of its Adult Education Program. Membership is open to all.

The chorus will be accompanied, as in the past, by the orchestra directed by Oscar Busch.

Room Mother Meetings Serve As Workshops for Teachers, Mothers

More room meetings that serve as workshops for teachers and mothers alike in the Orinda and Lafayette schools are scheduled as follows for the following week, according to Mrs. Robert Bigler, president of the Mothers Club.

Tuesday Miss Rathert's Orinda fifth grade mothers will meet with Miss Rathert, Joseph Sheaff, school superintendent, and Mrs. Bigler, at 3 p.m. at the home of Mrs. William H. Foster, 1 West Way.

MISS TIGHE's seventh grade Orinda school mothers will meet at 3 p.m. Wednesday at the home of Mrs. Wallace Marsh, room mother, at 17 Dias Dorados for workshop discussions with teacher and school superintendent.

Thursday is the date set for two meetings of Orinda school mothers. The first, at 10 a.m. is for the afternoon kindergarten taught by Mrs.

Miller, to be held at the home of Mrs. Gordon Ainsworth, room mother, 73 La Cuesta. The Orinda sixth grade class with Mrs. Givens as teacher will meet at the home of Mrs. Frank Wright, room mother, at 15 La Plaza, at 3 p.m.

THE SECOND GRADE Orinda class, Miss Andrews, teacher, will hold its discussion at 2:30 p.m. October 26 at the home of Mrs. C. F. Borden, room mother, at 5 Los Arroyos.

On October 29 Miss Docterman's Orinda third grade class mothers will meet with Mr. Sheaff and Mrs. Bigler at 2:30 p.m. at the home of Mrs. A. K. Harmon, 4 Oak Lane.

AT 3 P.M. October 30 the mothers of Miss Knox's Orinda fourth grade class will have their workshop meeting at the home of Mrs. R. B. Moore, room mother, at 178 Orinda Highway.

Mrs. Sung to Speak on Chinese Life

Mrs. Sung will be guest speaker at the next Women's Auxiliary meeting of St. Stephen's Orinda Thursday at the home of Mrs. Robert Harrison, 7 Camino Lenada.

Mrs. Sung is the wife of the Rev. Dillian S. Sung, recently called by Bishop Block to work under his direction among the hundreds of Chinese students at our universities on the West Coast. The Rev. Mr. Sung will be remembered as the president of St. John's University, Shanghai.

Mrs. Sung will speak on Chinese family life, art and culture. She plans to bring tapestries and some of her own lovely art objects.

DESSERT WILL be served at 1 o'clock followed by a brief business session, at which time the latest developments on St. Stephen's progress will be discussed. Episcopal women of the Orinda area are looking forward to this meeting with keen anticipation.

In connection with Women's Auxiliary meetings, Mrs. James Brown has offered her home for mothers interested in leaving pre-school age children. Mothers take turns caring for the children.

ST. STEPHEN'S choir sang last Sunday for the first time this Fall and the beautiful anthems brought forth many comments of praise from the congregation. Services for Sunday, the 22nd Sunday after Trinity are: 9:45 a.m., Church School, Grades 1 upward, on Brookwood Road; at 11 a.m., special Youth Sunday will be observed at the church, with the services conducted by members of St. Stephen's Young Peoples Fellowship, and sermon only by the vicar. At 11 a.m. the primary department of Church School will meet at the Oak Springs Pool clubhouse, Spring Road.

The Rev. Mr. William Merrill Fay announces that a series of Confirmation classes will begin next week. There will be two groups weekly; the adult class at 4 p.m. Sundays.

LEGAL NOTICE

NOTICE OF TIME OF PRESENTATION TO THE DISTRICT BOARD OF CENTRAL CONTRA COSTA SANITARY DISTRICT COUNTY OF CONTRA COSTA, STATE OF CALIFORNIA, OF A "PETITION FOR ANNEXATION OF TERRITORY CONTIGUOUS TO THE CENTRAL CONTRA COSTA SANITARY DISTRICT AND BEING IN THE SAME COUNTY AS SUCH DISTRICT."

NOTICE IS HEREBY GIVEN that the following Petition will be presented to the District Board of Central Contra Costa Sanitary District for the annexation of territory contiguous to the Central Contra Costa Sanitary District and being in the same county as such District in accordance with the provisions of Part I, Division VI of the Health and Safety Code of the State of California, on Thursday the 1st day of November, 1951, at the hour of 8:00 o'clock p.m. of said day at the meeting room of said Sanitary Board, 1822 Mt. Diablo Boulevard, in the City of Walnut Creek, County of Contra Costa, State of California, in said Sanitary District at which time and place all persons interested therein may appear and be heard.

PETITION FOR ANNEXATION OF TERRITORY CONTIGUOUS TO THE CENTRAL CONTRA COSTA SANITARY DISTRICT AND BEING IN THE SAME COUNTY AS SUCH DISTRICT.

To the Honorable District Board of Central Contra Costa Sanitary District in the County of Contra Costa, State of California.

Gentlemen: We, the undersigned petitioners, respectfully set forth and represent:

1. That the hereinafter described territory is contiguous to the Central Contra Costa Sanitary District which said district was created and established, pursuant to the provisions of Part I of Division VI of the Health and Safety Code of the State of California, by order of the Board of Supervisors of the County of Contra Costa, made and adopted on the 15th day of July, 1946, and that said territory is in the same county as said Central Contra Costa Sanitary District;

2. That the territory hereby sought to be annexed to said Central Contra Costa Sanitary District is not within the limits of any other sanitary district;

3. That the boundaries of the contiguous territory hereby sought to be annexed to said Central Contra Costa Sanitary District are specifically as follows, to-wit:

That real property situated in the County of Contra Costa, State of California, being Lot 23 of Fairway Acres.

That the total assessed valuation of the territory hereinabove described as shown by the last equalized assessment roll of the County of Contra Costa, State of California, is the sum of \$810.00.

5. That the undersigned petitioners are the owners of real property

located in the territory proposed to be annexed to the Central Contra Costa Sanitary District and that the real property of which petitioners are the owners, represents at least seventy-five (75%) percent of the total assessed valuation of such territory as shown by the last equalized assessment roll of the County of Contra Costa;

6. That Article 3 of Chapter 9 of Part I of Division VI of the Health and Safety Code of the State of California provides for the annexation to a sanitary district of territory contiguous thereto and in the same county after publication of this petition and a hearing thereon by the District Board;

WHEREFORE, the undersigned petitioners ask that said hereinabove described territory be annexed to the Central Contra Costa Sanitary District under the provisions of Article 3 of Chapter 9 of Part I of Division VI of the Health and Safety Code of the State of California.

QUENTIN REYNOLDS GERTRUDE REYNOLDS STATE OF CALIFORNIA) ss

COUNTY OF CONTRA COSTA) Quentín Reynolds, being first duly sworn, deposes and says:

That he is and was at all times herein mentioned one of the petitioners whose name is signed to the foregoing Petition and an owner of real property located in the territory described in the annexed petition proposed to be annexed to the Central Contra Costa Sanitary District under the provisions of Article 3 of Chapter 9 of Part I of Division VI of the Health and Safety Code of the State of California; and that he has read the foregoing petition and knows the contents thereof; that the same is true of his own knowledge; that he circulated the within and foregoing petition within the said territory proposed to be annexed to the Central Contra Costa Sanitary District and procured the signature thereon; that each and all of the signers of said petition are and at the date of signing of the same by them respectively were, and ever since have been, owners of real property located in said territory proposed to be annexed to said Central Contra Costa Sanitary District and that they and each of them voluntarily signed said petition in the presence of the affiant; that the signatures affixed to said petition and each of them is the genuine signature of the person whose name is subscribed thereto and that each of said persons is in favor of the annexation of the said territory to said Central Contra Costa Sanitary District and desires that said petition be granted as prayed.

QUENTIN REYNOLDS Subscribed and sworn to before me this 28th day of Sept., 1951. MARGARET E. STEEL Notary Public in and for the County of San Francisco, State of California. My Commission Expires Oct. 9, 1954. Q-146, Orinda Sun, Oct. 19, 26, 1951.

'Wonderful Life' Film To Be Shown

At 9:30 and 10 o'clock, age-groups of the Sunday school will come into the chapel for their own special dedication programs, and at 7 o'clock an evening service for the entire community will be sponsored and conducted by members of the Pilgrim Fellowship at the Community Church.

Following a worship period, the feature motion picture "A Wonderful Life," will be shown. Made in Hollywood, this 45-minute sound film is of high spiritual and technical quality designed for use in churches on a nationwide scale. It is the true life story of a Martinville, Missouri, family. It stars James Dunn and features Aliene Roberts, Arthur Shields and Isobel Withers.

Home Dept. Topic 'Sewing Machine'

With Mrs. A. K. Pettengill and Mrs. C. Ward as demonstrators, "Know Your Sewing Machine" will be the project for the meeting of the Orinda Home Department Wednesday, 10 a.m., at the home of Mrs. Roy Wendelbo at 17 El Gavilan.

A special drive for new members is being conducted this month. New Orinda residents are especially invited. Further information may be obtained by calling Mrs. Wendelbo.

Camera Enthusiasts Take Pictures in Nortonville

On Sunday about 13 members of the Contra Costa Camera Club and two wives of members, Mrs. Ralph Wilson and Mrs. S. G. Culver, spent a long day taking black and white pictures about Nortonville, the scene of an early day and now abandoned coal mine. Here they had a picnic lunch then went on for some marine views at Antioch. The instructor of the class, P. Douglas Anderson, helped the photographers with their lights, shadows and compositions.

Shipmates Plan Dance Tonight at Wayne Home

The Shipmates group of the Community Church will hold its October meeting tonight at 8 o'clock, at the home of Barbara and Elbert Wayne, 69 La Campana. Program Chairmen Anne and Dick Copenhagen, are planning a barn dance for the occasion.

Refreshments are to be served by Helen and Roy Clark and June and Dick Whetstone. Any young people in the community are invited to meet the group for an evening of good fellowship.

Beach Deans Visited

Visitors at the Beach Deans home in Orinda have been Mrs. Dean's brother-in-law and sister, Mr. and Mrs. Price Hopkins, and their four children.

The family came down from their home in Woodland the weekend of the Cal-Minnesota football game.

Enjoy Patio Dinner

Dr. and Mrs. M. H. Groves and son Murray enjoyed a patio dinner Sunday at the home of Mrs. Irene Marshall on Brookside Road.

LEGAL NOTICE

NOTICE OF ELECTION TO AUTHORIZE INCREASE OF MAXIMUM TAX RATE IN THE ORINDA UNION SCHOOL DISTRICT OF CONTRA COSTA COUNTY, STATE OF CALIFORNIA.

NOTICE IS HEREBY GIVEN to the qualified electors of Orinda Union School District of Contra Costa County, State of California, that in accordance with law an election will be held on the 4th day of December, 1951, in said Orinda Union School District between the hours of 7 o'clock A.M. to 7 o'clock P.M., during which period and between which hours the polls shall remain open, in the special school election precinct hereinafter designated as No. 1, at which election there will be submitted the question of authorizing the increase of the maximum tax rate for the Orinda Union School District of Contra Costa County from the statutory limit of Ninety Cents (\$.90) for each One Hundred Dollars (\$100) of assessed valuation within said district, exclusive of bond interest and redemption, to the sum of One Dollar and Seventy-five Cents (\$1.75) for each One Hundred Dollars (\$100) of assessed valuation within said district, exclusive of bond interest and redemption, for the period of seven (7) years, beginning July 1, 1952, and ending June 30, 1959, both days inclusive.

For the purpose of holding said election the school district shall be and it is hereby consolidated into one (1) special election precinct as hereinafter numbered, and the county election precincts hereinafore established by the Board of Supervisors of Contra Costa County for general election purposes as existed at the last general election held in Contra Costa County are hereby formed and consolidated into special election precinct for the purpose of holding this election, and the persons hereinafter named, being competent and qualified electors of said school district and of their election precinct, are hereby appointed officers of election, as hereinafter designated, to serve as

Social and Clubs

Delegates Chosen For Alumnae Meet

Five official delegates from Orinda were chosen to attend the annual Mills Alumnae Council on the campus October 29 through November 1, at the informal business meeting of the club at the home of Mrs. Del Fager, October 10.

Details of this important event, because of the Centennial year, will be given later.

Mrs. Russell Gilwee's new plan for raising money was accepted. Each member will be responsible for a fixed donation of reasonable amount to be presented to the club by March 1, 1952. Mills Club members should contact Mrs. Gilwee or Mrs. Ben Randall for details of this plan.

MILLS CLUB members who had Community Concert memberships heard Dorothy Warneskjold, well known singer, and a Mills graduate Monday, Mrs. Harry Booth is a personal friend of Miss Warneskjold's.

The report on the boys' Halloween party at the Kirk homes home given October 8 by Mrs. Harry Booth and Mrs. Stuart Henderson, aided by Mrs. Ben Randall, baby sister, was enjoyed by members.

Next party date is for the afternoon of November 13. This will be for five-year-old girls and planned by Mrs. M. E. Spaight, aided by Mrs. Harry Booth. Mrs. Tom Nicholl is alternate.

Favors, prizes and decorations for the party will be made by club members at the next business meeting November 11 at the home of Mrs. Stuart Henderson.

HIGHLIGHTS of the Centennial Ball were discussed during the course of the evening, as after dinner refreshments were served by Mrs. Fager, the hostess. Members present were Mesdames: Stuart Henderson, Russell Gilwee, M. E. Spaight, Ben Randall, Tom Nicholl and Del Fager.

Mrs. Groennings Plans Luncheon for Leaders

Mrs. Sig Groennings will entertain the four girls currently leading the patrols in Girl Scout Troop 75 of which she is adult leader, at a luncheon at her home Saturday at 12:30 p.m.

Janice Has Right Arm In Autographed Cast

What has been done before can be done again. So thinks little eight-year-old Janice Twining. Last year she broke her left arm and rather admired the attention her cast received. Last week she broke her right arm and again will appear in an autographed cast!

Diana Nielsen, 10, Dances in TV Show

Ten-year-old Diana Nielsen, daughter of Mr. and Mrs. Clinton Nielsen of 1033 Clinton Court, appeared on the Del Courtney television show Sunday afternoon over KPIX. She performed two ballet numbers, one from "Les Sylphides" and the other from "Swan Lake."

Diana, a student at Montecito, has been studying under Lila Murphy for two years. She performed the role of Odette at the Lila Murphy Dance Studio program at Alacanes High School in June.

Folk Dancers Meet

The Alacanes Folk Dancers met last Saturday for their semi-monthly meeting at the Alacanes High School.

The committee in charge of arrangements included Henry Schulze, Mr. and Mrs. Stan McGlauffin, Mr. and Mrs. Ted Dorger and Mr. and Mrs. Taylor Holt.

such in their school election precinct as hereinafter set forth, and said officers of election shall conduct said election and make returns thereof pursuant to law. The voting precinct polling law and election officers duly designated and appointed are as follows: SPECIAL SCHOOL ELECTION PRECINCT NO. ONE

Shall include all the area embraced in Orinda Union School District.

POLLING PLACE: ORINDA UNION SCHOOL OFFICERS OF ELECTION: Princess A. Farrar, Inspector Libby Badgley, Judge Mrs. Jack Janisse, Judge

Each qualified elector of said Orinda Union School District is entitled to vote in the special precinct of which he is a resident and in that precinct only.

The governing board of the school district shall meet on the seventh day after the election at its usual meeting place at 1:00 o'clock P.M. and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 8th day of October, 1951.

EDGAR W. STEWART J. S. FRASER CATHERINE RUTCHIE C. SMITH Members of the Governing Board of the Orinda Union School District of Contra Costa County, California. O-145, Orinda Sun, Oct. 12, 19, 26.

Girl Scouts Plan Joint Meeting

Girl Scout Troop 75 will be hostess to Troop 58 at a joint meeting and tea next Thursday afternoon at 3:15. The affair, given to commemorate the birth date of Founder Juliette Lowe, will be held at the Scout House.

After a brief business meeting, there will be a short program and refreshments, including cookies made by the hostess girls, will be served. A surprise feature for all the girls is to be a part of the afternoon's fun.

Mrs. Sig Groennings, who heads Troop 75, and Mrs. E. W. Slusser and co-leader Mrs. Robert Elder, who direct activities of Troop 58, will be present at the party.

European Trip Subject for Talk

Section 1 of the Women's Guild will meet Thursday at the home of Mrs. Robert Muse, 8 Camino Encinas.

Her co-hostesses will be Mrs. W. C. Branch and Mrs. A. Johnson. The devotions will be led by Mrs. Charles Pimentel. A delightful program is assured for Mrs. William H. Muse will tell of her experience in Europe this summer when she accompanied her husband on a business and pleasure trip. If bringing a guest, please phone the hostess, Orinda 5371.

Larks Give \$502 To Therapy Center

The Lafayette Larks, Auxiliary unit of the Mt. Diablo Therapy Center, held their second fall meeting at Veterans Memorial Building October 11. It was reported to the group that \$502 had been turned over to the center from the Spring benefit performance of "Blythe Spirit," played by Lafayette Playshop and sponsored by the unit.

Nominating Committee Chairman Mrs. S. L. Sibley announced the following newly appointed board members: Mesdames R. W. Underhill, Richard Young, Edwin Clark, and M. L. Boevers.

Those who had attended the social afternoon at Mrs. L. H. Dorsey's reported a pleasant time as well as the formative plans for a November benefit. Mrs. Dorsey and Mrs. Mel Nielsen were selected as co-chairmen of this event.

The following committee chairmen were appointed by Mrs. Paul Marchant, president: telephone, Mrs. E. H. Haase; membership, Mrs. L. Sibley; ways and means, Mrs. Willard Hayes; publicity, Mrs. E. R. Li-gon.

Linn Sperry's Party Had Action A-Plenty

Playing cowboy, viewing television, and singing were entertaining highlights of Linn Sperry's eighth birthday party September 22. Food highlights included wienies the youngsters roasted over an outdoor fire, salad, cake and ice cream.

Linn is the daughter of Mr. and Mrs. Austin Sperry, Jr., of 1094 Orchard Road.

Helping Linn celebrate were Kristi Kennedy, Betsy Hughes, Kathie Roberts, Nadra Rosenthal, Lois Turner, Carol Gudmundson, Leslie Jones, Jeannette Rhodes, Sharon Heiser and three cousins of Linn from Berkeley.

Donald Cooksey and William Bosky Frederick, Sharon Heiser's sister Jean had been invited but could not attend.

Pamela Church, 3, To Be Flower Girl

Little Pamela Church, three-year-old daughter of Mr. and Mrs. George Church, 10000 Highway, is the important role of flower girl at the wedding tonight of Peggy-Jean Mackenzie Slocome and William Richard Sherrard at the Chapel of the Flowers.

Will you be killed tomorrow? Drive very carefully.

Clothes Hangers Mean Money for Therapy Center

The Tanagers Unit of the Mt. Diablo Therapy Center has a new project for raising money for the work there.

An arrangement has been made with the Antiseptic White Star Laundry and Dry Cleaners that that firm will buy for one cent each all clothes hangers that can be collected in this area.

Mrs. John Gompertz, district Girl Scout chairman, promised the assistance of the Browne and Girl Scout troops in covering their respective neighborhoods and tying the hangers together.

Ben Courant is the instigator of this idea, with but one stipulation—the hangers must be tied in bundles of 25, with all hooks going in the same direction. Mrs. J. P. Laird, chairman of this project, has arranged for a large receptacle at the Village fire house, where the hangers can be left at any time.

Now that the Boy Scout paper drive is finished, this Therapy Center Unit will again resume its paper drive. Mrs. Dan Lucas, the new chairman, has the club groups doing their part in collecting and bundling the newspapers.

So that these young helpers may realize the importance and seriousness of what they are accomplishing and whom they are helping, trips through the Center for dens and their advisers can be arranged by appointment.

Dr. Ball's Yard In Sunset Mag

How the "raw backyard" of the Dr. W. Clyde Ball home was converted to a "garden living room" is illustrated in the October Sunset magazine.

Addition of a concrete terrace floor, raised plant boxes of natural redwood and an overhead lath shelter, tied together with attractive woven redwood lath fence, make an easy transition between the indoors and outdoors.

Sunset Magazine points out how the transformation provides protection from western sun without cutting down too much on light, and makes a private outdoor living area with garden and planting space for shade plants. Too, treatment of the raised flower beds ties the high foundation of the Ball home down to the ground level garden living room making it a compatible unit.

Landscape Architect Henry Van Slegman of Walnut Creek is credited with designing this simple garden plan, which adds such a distinctive touch to the home.

'The Cruel Sea' To Be Reviewed

"The Cruel Sea" by Nicholas Monsarrat will be reviewed by Mrs. Charles Offen during the next meeting of the Book Section of the Lafayette Forum Tuesday afternoon at 1:30 in the home of Mrs. Walter Weidlein, 848 Sibert Court.

Following the review, tea will be served by Mrs. A. H. Young, chairman of the Book Section.

Contra Costans at Weimar Council Meet

A meeting of the Weimar Council was held recently in Sacramento. The Council is composed of representatives of the Tuberculosis Associations and other interested persons of the 15 counties participating in the Weimar Joint Sanatorium.

Attending the meeting from Contra Costa County were Mrs. George Vurek, Mrs. Mary Johansen, Contra Costa Public Health Association; Helen Wolfe, Virginia Dontanville, Virginia Springer, Richmond Health Department; Mrs. Jane Castor, Dr. Robert Plotkin, County Health Department; Bernadine Kelly, Elsie Winfield, County Hospital; and Mrs. Lenore Crane, secretary of Weimar Council.

Will you be killed tomorrow? Drive very carefully.

Orinda Orioles Plan Tea, Program

The fall event for the Orinda Orioles, auxiliary of the Mt. Diablo Child Therapy Center will be a tea and program Wednesday afternoon in the social hall of the Orinda Community Church at 2 o'clock. About 150 women of Orinda have already accepted the invitation. This tea will celebrate the Orioles' first birthday.

Plans for the tea and program were completed at the regular monthly meeting October 10. This social and business meeting attended by 35 members was held in the beautiful hillside home of Mrs. Wallace Alexander on Las Arroyas.

AFTER THE SERVING of a dessert, the meeting was called to order by the presiding president, Mrs.

Legion Auxiliary Plans Purchase Of Defense Bonds

Plans for active participation in the First Defense Bond Drive, now in progress, have been announced by Mrs. Earl Long, National Secretary of the Lafayette American Legion Auxiliary.

Members are urged by the chairman to purchase U.S. Defense Bonds regularly, as individuals and as a group. A plan for voluntary contributions from members at each unit meeting, to be applied toward group purchase of bonds, was accepted by the membership.

"Defense is our job, too," Mrs. Long said. "Because security is everybody's business, the Auxiliary is asked to participate actively at community, state and national levels. Defense Bonds do not have the emotional appeal that 'War Bonds' had, but as patriotic and realistic Americans, we are asked to back the drive with all the earnestness and interest characteristic of our efforts in past endeavors."

"Our enemies are watching the present bond drive with the hope that its failure will indicate a civilian apathy and indifference to the current crisis. We must not let our Korean forces down."

"Men and boys are fighting and dying for the democratic principles we cherish. Buying U.S. Defense Bonds is one concrete method of showing our confidence in and approval of the American way of life."

"Every member of the community should adopt the slogan of the drive, 'Make Today Your D-Day — Buy U.S. Defense Bonds.'"

Mrs. Johansen Attends State T. B. Conference

The Contra Costa Public Health Association was represented at the California Conference of Tuberculosis Secretaries held at Arrowhead Springs recently by Mrs. Mary Johansen, health educator of the association, who is a member of the health education committee of the Conference.

"The fall meeting of the Conference brings together the professional workers of the tuberculosis associations throughout the state for committee reports and professional education," said Mrs. Johansen, "and brings added stimulation to the local associations."

Freemans in East

Mr. and Mrs. William B. Freeman of Reliez Station Road are expected back from the East next week. Mr. Freeman went to New York on business a few weeks ago. Early this month Mrs. Freeman joined him.

Carl Wellington Smith. The reports of the secretary, Mrs. E. L. Bargones, and of the treasurer, Mrs. Frank Hight were read and approved. The over-all ways-and-means chairman, Mrs. F. M. Silva, called on those responsible for special projects. Mrs. Calvin Hagstrom said she was ready to take renewals or new magazine subscription on both of which the Orioles would receive an appreciable commission. Mrs. Robert Raskob, in charge of the rummage sale, said she had arranged for the sale to take place March 3, 4 and 5 at 285 12th Street, Oakland.

In charge of the tea Wednesday is Mrs. Lance Barden, assisted by a decorating committee of Mrs. Ed Nelson, Mrs. Roger Dexter and Mrs. G. Chester Brown; a reception committee composed of Mesdames B. B. Seim, W. R. Arends, Marvin Bond, Dan Peacock and the president, Mrs. Carl Wellington Smith, and a serving committee composed of Mesdames Robert Raskob, C. A. Winrod, J. G. Gilman, Walter Friberg, A. A. Schmidt and J. E. Wasson.

THE PROGRAM, chairmaned by Mrs. Frank Hight, will be opened by a group of vocal solos by Mrs. Ralph Brown, followed by a talk by Carl Raskob, executive secretary of the Mt. Diablo Therapy Center, who will tell something of the accomplishments, aims and needs of the Center.

It was announced at this meeting that the Center would have Open House October 28 from 2 to 5 p.m. THE NEXT BUSINESS meeting of the Orioles will be November 14 at the home of Mrs. Murray Groves. At this time the nominating committee composed of Mesdames B. B. Seim, Lance Barden, Keen Pettengill and C. A. Winrod will present names for new officers.

Many of the Orioles enjoyed strolling through Mrs. Wallace's beautiful garden, admiring the lawns, the beds of roses and zinnias and the borders of hundreds of tuberous begonias.

Room meeting with teacher, mothers of Miss Andrews' Orinda second grade, home of C. F. Borden, 5 Los Aromas, 2:30 p.m.

Chit and Chat about Don and Donna

By MARY THIES

PARTIES, PARTIES and more parties! This describes the average social life of an Acalanes student.

Mike Klement gave a party a week ago tonight. A few of the many couples were Tom Morrish and Kay Mickle, Jim Small and Lorraine Durante, Dave Cranston and Marianne Summers.

Other reports say that all the football players were there — with dates (how unusual!).

Another party was given by Allen Bottomly. It seems that "everybody" was there. I wonder who "everybody" is?

THIS YEAR THE RALLY committee has started something new. A football queen is to be chosen to reign over the Pittsburg game.

Some of the candidates from Orinda are Frances Kiernan, Phyllis Pyle, Judy Johnson, Sue Fowler, Linda Pyle, Carolyn Demeter and Anne Sparling.

AKLAN STAFF members have been chosen for this year — those who will devote their time, talent and energies are: Carol Jean Earle, Bill Bedard, Bob Keller, Beth Pickton and Tom Tilton.

Hey, can you stand on your head or wiggle your ears? If so, be sure and sign up for the talent show.

Contact Mike Klement if you're interested. Don't forget — there'll be somebody worse than you.

What lucky girl is being given a dinner in San Francisco and then taken to the "ballet" for a birthday present?

HAVE YOU GONE to a party recently? Has something amusing happened to you lately?

If so — won't you let me know? This column is written especially for you.

Legion Auxiliary Projects Prepared

Lafayette members of the American Legion Auxiliary met Monday evening for an informal session of social and sewing activities, and spent the evening completing a doll-vardrobe project and sewing for the V.A. hospital "gift shop" program.

The doll will be on exhibit in a Lafayette store window this week. It was announced by Mrs. Chet Howard, in charge of arrangements. Contributions will be used for the unit's welfare and service programs.

THE CHRISTMAS GIFT Shop project for the veterans in Livermore V.A. Hospital is also nearing completion, according to Mrs. Earl Gustafson, rehabilitation chairman, although volunteers are still needed and may continue to contact her for assignments.

The Past Presidents Parley of the Lafayette organization met Tuesday afternoon for their monthly meeting at the home of Mrs. M. H. Stanley. Following dessert, served by the hostess, members spent the afternoon sewing for the Gift Shop.

The Parley, advisers to the local unit, now includes 12 past presidents of the auxiliary. Mrs. Joe Hammond, president, said.

COMMITTEE MEMBERS in charge of plans for a rummage sale, set for next Friday, will meet at Veterans Memorial Building next Wednesday between 8 and 9:30.

'Keep Pitching' Jack Pedder Tells Women's Group

Jack Pedder, chairman of the Contra Costa Central Committee this week urged the women of the Lafayette Women's Republican Club to "stay in there and keep pitching" so that their efforts would bear fruit in the 1952 elections.

Pedder spoke before the regular meeting of the club at Town Hall on Monday.

He explained the main function of the central committees on the county level was to raise money, as well as coordinate the activities of the various Republican groups. Re-appointment also came in for discussion, and the affect on Contra Costa County.

Cub Pack to Work On Puppet Theme

A varied program occupied Orinda Cub Pack 52 at its first meeting of the term in Orinda School auditorium last Friday night. Following presentation of the flag by Den 9, the Pledge of Allegiance was repeated and cubs and parents sang "The Star Spangled Banner."

Assistant Cubmasters Walt Mulks, Russ Honnold and Jack McQuiddy found all the dens in such good form for pack inspection that no award could be made.

Den mothers and den chiefs were introduced, as was Nonie Doty, den mother adviser, following which Den 9 presented an interesting skill on safety which carried out the month's theme, "Keep America Strong."

Cubmaster Bill Ellermeier, Committee Chairman Harry Miner and Bob Nordquist, scout commissioner for the district, said a few words before introduction of the year's committee.

Den 6 was "antless pants" award winner, Den 2, achievement, and Dens 3 and 5 shared attendance award.

The cubs will go to the Oregon State-Cal game October 27.

Award winners for the month are Jud Carter, Don Miner, Bill Thuriow, Tim Carter, Stephen Hicks, Peter Read, Richard Moore, Bob Ellermeier, Reg Barrett, Bill Brown, Milton Howe, Richard Mann, Phil Bartlett, Vincent Sheerin, Kenneth Sheerin, Dave Puddy, Ronnie Brown, Bill McGuire, Michael Halloran, Jack Doty, Bill Houston, Tom Mika, Robert Bowles, Stephen Univer, Alan Dahlstrand, Dick Allen, Peter Stocker, Phil Nuffer, Joe Cuyling, Jim Hunter, Chuck Butler, George Kimball, Tom White, Randy Young and Michael Donovan.

Four transfers have enlarged the pack, and there are 14 other new boys.

Stork Club

CHARLES VAN DUYN

Charles Pearce Van Duyn was born October 17 at Stanford Hospital to Dr. and Mrs. Charles M. Van Duyn of 22 Oak Drive. The boy is the Van Duynes' first child — and the first grandchild of Mr. and Mrs. Lovick B. Pearce, who live with the Van Duynes. Dr. Van Duyn is on the Stanford Hospital staff. Mrs. Van Duyn was a Kappa Kappa Gamma at the University of Missouri.

Will you be killed tomorrow? Drive very carefully.

About Our Happy Country Folk

By EDITH BOLMAN

DUE TO CERTAIN RECENT PROGRESSIVE construction work on roads and sundry other spots, the topography of Orinda is undergoing some changes. Now, for instance, the Thomas Tellers' oadminton court is gaining altitude. Last we heard it was definitely on its way up and the construction wasn't even finished—that will make it a heavenly game, we suppose.

Mrs. Fred Goodwin is a busy bee these days, selling real estate. She is the Orinda representative of a Piedmont firm and we'll just bet that a lot of people from town will move to the country after they see the "Orinda representative."

Mrs. Delight de Laveaga is home again after her recent visit to Bakersfield with her son Miguel.

Mrs. Helen Schacht Tarrant, formerly of Orinda, has taken a house at Carmel.

Mrs. Kay Axton Almquist is leaving Orinda in favor of, Piedmont and daughter Karen is going to school at Dominican. The Milton Broodings have bought the Almqvist house, and their son Larry is already started at Acalanes, so the population quotient is still the same.

Pebble Beach and the siren call of Lady Golf lured Dr. and Mrs. Edward Maloney and Mr. and Mrs. Fred Federighi for the recent amateur tournament. Our local amateurs, Dr. M. and Mr. F. entered the tournament, but we could get no concrete information on the outcome of that maneuver—wonder what that goes to prove!

Another busy bee is Mrs. Theodore F. Bradley, who entertained and fed 46 women of the Montclair Women's Club October 10.

As usual with all recent outdoor parties, it rained in the morning, putting everyone in a panic, but by noon it was clear so the guests could sit in the patio and eat the foreign dishes which were inspired by an interesting new cook book, "World's Favorite Recipes from United Nations" by the American Home Economics Association. Later a talk was given by Mrs. H. H. Hansen of Lafayette on African violets.

The front end is being put on the back end and the back end is—oh heavens, we forgot to ask what is happening to the back end—but anyway, Mr. and Mrs. Robert Spott, lately of Stanton Drive, have moved into their new home on Brookbank Road, and are very busy rearranging its contours. Their previous house is now being occupied by Dr. and Mrs. Karl Scheffel of Berkeley.

Triangle Agency Has 3 Services

Three new accommodations, an employment agency, telephone service and stenographic service, are offered through the recently-opened Triangle Agency located in the upstairs office of the Stanley Building, 3559 Mt. Diablo Boulevard, Lafayette.

Co-owners are Marion Cunningham and Evelyn Shreffler, both Lafayette residents, and each brings more than 15 years' experience in office and personnel work to their new endeavor.

Plans include providing reliable full or part-time help to residents requiring baby sitters or household workers. Housewives or high school girls with free time and a wish for extra Christmas spending money are urged to register with the agency to take care of the many calls for such assistants.

Telephone service for business firms and secretarial work are added features.

And now we are 21! For anyone around who can remember that far back, it is a milestone and something to celebrate, as, indeed, did the Thomas St. Hills, for their daughter Jeanne, a University of California Kappa Kappa Gamma senior.

Last Saturday a gay group gathered at the St. Hills for a wonderful

dinner: turkey, salad and luscious dessert (we don't remember what because we are trying to eliminate luscious desserts from our conscious and subconscious mind, so we automatically close our ears when we hear about such things).

Mrs. St. Hill was general manager of the festivities—then on to Orinda Country Club to dance, and everyone had a wonderful time. We know because our information comes directly from the horse's mouth, as it were; possibly we should say pony's mouth—anyway, one of the guests who is still enough of a pony that she didn't have to close her ears, or her eyes, or her mouth when it came to the luscious dessert.

THE DIABLO COTILLION will start off the season on tomorrow with its first dinner dance.

Sponsors for this successful gathering are Messrs. and Mesdames Samuel Abbot, Jr., Clifton Dahlgren, Robert Evans, Richard Gompertz, Bruce Howard, Harmon Howard, Donald Mac Vean, Robert Pinger, Fred Seiberger and Richard Ward.

Some of the Orinda couples who enjoy it so much are Messrs. and Mesdames Donald Richards, Paul Ammen, Bruce Howard, Tevis Thompson, William Hennings, Clinton Hallsted, Paul Parker, Milton Vail and Douglas Kelly.

There are others, but we chose a Monday morning to gather this information, and both we and our informant started out quite bubbly but soon got a bit sudsy about the whole thing, so forgive us for any which got lost in the wash.

DID YOU KNOW that poison oak is just as bad in the Fall as it is in the Spring? We didn't—but we do now.

That is all!

We're stretching our available supply of metals and other critical materials by every means science can devise.

MORE STRENGTH FOR OUR NATION

How we're saving the materials our country needs for defense

1. Copper for cables and wires...rubber for insulation...aluminum for dials—the telephone system requires vast amounts of the materials which are also badly needed by other defense products. Naturally, since the telephone is such an important military and production tool, we get a quota of these materials. But to keep building a strong communications system, we must conserve in every way we can.

2. Scientists are at work on this task...in telephone laboratories and manufacturing plants. By substituting other materials for critical ones, by discovering ways to use smaller amounts of the shortage items, they've come up with some amazing savings. It's estimated that, in 1951, the Bell System will save 2,700,000 pounds of rubber, 3,250,000 pounds of copper, 210,000 pounds of aluminum—to name just three.

3. Efficient telephone service, the kind that can pitch in and help all the nation in times of need is the result of just such little things as using steel instead of aluminum in a telephone dial. It's the result, also, of keeping the telephone system financially strong. Over the years, such financial strength has been the foundation of our ability to serve. It has enabled us to produce telephone service that's better than ever, produce more of it than ever, and sell it at prices which have gone up far less than other things.

Your telephone is one of today's best bargains

Price changes since 1949

POOD UP 135%	COST OF LIVING UP 85%	AVERAGE TELEPHONE RATES UP ONLY 25%*	COST PER TELEPHONE YOU CAN CALL ACTUALLY LOWER THAN IN 1949!

Howard, Walnut Creek, and Thomas N. St. Hill, Orinda.

Boy Scout Council Maps Program; Theme: Forward on Liberty's Team

Plans for the 1952 program of the Mt. Diablo Council of the Boy Scouts of America (formerly Berkeley-Contra Costa Area Council) were developed at the council's annual planning conference Monday night at Acalanes.

Gearing themselves to the new three-year national Boy Scout program to be launched during Boy Scout Week in February under the slogan "Forward on Liberty's Team," operating committees analyzed objectives for next year. Representatives of all nine districts attended the conference of the committees — leadership training, advancement, finance, camping and activities, health and safety, public relations, and organization and extension — and the district chairmen's group.

LOCAL MEN present included Joe Conley of Orinda, district chairman; E. William Werner of Lafayette, finance chairman; Allen Bartlett of Lafayette and Jo Shockey of Ygnacio Valley, organization and extension committee; and C. R. Graff of Pleasant Hill, chairman of the camping and activities committee.

The Mt. Diablo Council covers all of Contra Costa County, Berkeley and Albany.

Conference was called by Council President A. F. Bray. The program

worked out will be sent to all adult leaders and a final vote will be taken at the annual council meeting December 8 at Diablo Country Club.

After meeting as one body, the committees met separately. The conference was under the leadership of Bray and Council Scout Executive Victor Lindblad. Gordon Hawkins, district scout executive, acted as secretary of the public relations committee.

AIMS AND PURPOSES of the new three-year program were outlined to each committee. The general program has the perspective of getting each scout unit to set up and attain goals for additional adult manpower, quality unit program and increased membership.

Additional adult manpower means that each troop, cub pack or explorer post would have a leader and at least one assistant capable of replacing the leader. Quality program means each unit's developing a yearly program based on the desire of the scouts.

Increased membership means an increase of at least one boy member per unit during a year. The entire program will be aimed at making quality scouting possible for all boys, encouraging civic service and good turns and assuring at least 10 days and nights' camping each year for every scout, according to Hawkins.

Phebe Ward Leaves JC For SF Principal Job

Phebe Ward has resigned her position as director of General Education and Community Services with the Contra Costa Junior College District to become principal of Commerce Adult School in San Francisco. Superintendent Drummond J. McCunn announced that the position vacated by Miss Ward would not be filled.

Acalanes Band, Chorus Elect Student Officers

A snappy Acalanes Band, led by Instructor Richard Hansen, elected officers for a special all-student music council which will set up rules for governing the music department of the school.

Also included in the music council are members of the mixed chorus. One of the main jobs awaiting the council is construction of a point system for earning band and chorus letters.

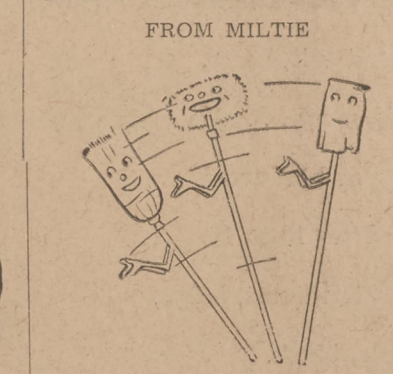

Officers for the band are Bill Smith, Walt Williams, Bonnie Jeffries and Pat Miles. Mixed Chorus officers are Nick Snell, Ann Champion, Cindy Kent and Nancy Carlson. According to Don student band officers, the Don Band is eagerly looking forward to the Mt. Diablo game November 9, for which the Dons are planning an elaborate group of band field stunts.

Therapy Center Memorial Fund Benefits Area

Did you know that the Memorial Fund Service, in operation at the Mt. Diablo Therapy Center, can be used by all residents of this area, not just members?

The Center has established this Memorial Fund to care for those patients who would be unable to have treatment without financial assistance. Anyone can send money to the Center in remembrance of any person, and a card will be sent the family of the bereaved immediately, informing them of the donation, more tangible than flowers in their loved one's memory.

Now in progress is the Therapy Center's financial drive, with the goal of raising sufficient funds "to enlarge the Center so more can enter."

That broom or mop handle that's always falling down can be made to behave if you'll just take a few minutes to either drill the end of the handle and insert a string loop or screw an eye into the end of the handle. Then they can be hung on hooks where they belong and out of the way.

Lots of women complain about the running of colors in "washable" drapes. Usually it isn't the washing that makes the colors run — it's the drying! Never hang them in the sun. Very few dyes can withstand Old Sol's rays.

\$100 GOP Dinner Date Is Changed

Two hundred and fifty residents of Orinda, Lafayette and Walnut Creek who have purchased tickets to the \$100-per-plate "Preparedness Dinner" being staged by the United Republican Finance Committee of Contra Costa County were notified by letter that the date has been changed to Monday evening, November 5, from Thursday of this week.

In announcing the change of plans, William M. Fleeger, finance committee chairman, stated that late adjournment of Congress prevented Senator William F. Knowland, principal speaker, from leaving Washington this week. November 5 is the first date on which the senator is certain to be able to attend.

The dinner will be held at the Diablo Country Club. Assisting Fleeger, as members of the executive committee, are Thomas N. St. Hill, Orinda; Harmon K. Howard, Walnut Creek; Robert J. Pedder, Lafayette; Everett R. Taylor, Diablo; Joseph Perrelli, Max Wilcox and W. D. McNevin, Richmond; Mrs. Elizabeth L. Hoey, Martinez; Ardis Myhrs, Kensington; Joseph L. Judson, Pittsburg; and John Merchant, Crockett. Lawrence J. Davitt, Walnut Creek, is treasurer of the committee.

OTHERS IN THIS AREA actively aiding in plans for the dinner are the following Orinda residents: Ernest A. Fernsten, Victor T. Cranston, Dr. John L. Gompertz, George H. Hauerken, Edward Shuey, Kenzie B. Morrish, Ritchie B. Smith, Dwight W. Chapman, Melvin S. Jacobus, Lindsey Spight, C. B. Chantler and Edward De Laveaga. Assisting Harmon K. Howard, chairman for Walnut Creek, are Grant Burton, William Anderson, Quentin Reynolds, Harry Andrews and James Whitney.

Don H. Bonar, Jack Pedder and Robert J. Pedder are handling the Lafayette solicitation.

Everett R. Taylor is serving as chairman for the Diablo area. Mrs. Stanley Friden of Diablo is chairman of arrangements, and Ardis Myhrs is chairman of the program committee.

Mrs. Thomas N. St. Hill, Orinda; Mrs. Sumner H. McAllister, Lafayette, and Mrs. Harmon K. Howard, Walnut Creek, all presidents of Republican Women's Clubs in their communities, are actively supporting the dinner program.

Jewish Philosophy Course To Begin

Miriam Goldene, Professor of Philosophy and Bible at Mills College will conduct the first group of a series of lectures on "Our Jewish Heritage" to be sponsored by the League of Jewish Women, Mrs. Martin Abel, workshop chairman, announced today.

Professor Goldene's subject for four sessions will be "Jewish Philosophies throughout History." The study group will meet the third Sunday evening of each month beginning Sunday.

Vets', Air Force Housing Outlook Told Contractors

Housing for veterans and Air Force personnel was thoroughly discussed at a meeting of the General Contractors Association of Contra Costa County at Planters Dock, Lafayette, on October 9.

Duane Sarles, chief loan guarantee officer of the Veterans Administration, announced a loosening up of the market for veterans' loans for home construction and stated, "Apparently the veterans will now be able to take advantage of the relaxed down payments in purchasing a home, as recently provided by Congress."

President Donald J. Lawrie pointed to the formation of the Defense Housing Steering Committee in Walnut Creek recently, the purpose of the organization being to ascertain what accommodations could be obtained for housing Air Force Personnel, as an example of the co-operation needed to provide housing units at Parks Air Force Base. "The National Association of Home Builders, with which the General Contractors Association of Contra Costa County is affiliated, has condemned the lack of suitable housing near military establishments as a national disgrace," Lawrie added.

G.O.P. Women to Discuss Election

Members of the Walnut Creek Republican Women's Club will outline plans for the 1952 election at their November meeting, the date, place and hour to be announced later, according to Mrs. Harmon Howard, club president.

More than 65 members from Orinda and Lafayette as well as Walnut Creek attended the club's recent luncheon where Mrs. Arthur Wagstaff of Walnut Creek was presented a ticket for the \$100 per plate campaign dinner scheduled for the Diablo Country Club on November 5.

Will you be lilled tomorrow? Drive very carefully.

Straw Hat Revue Aids Nurse Fund

A Nursing Scholarship Fund will benefit by a theater party to be held October 24 under auspices of the Contra Costa County Medical Auxiliary, according to Mrs. Martin Mills, party general chairman.

The party will feature the Straw Hat Revue on the stage of the Berkeley High School Little Theater. Tickets and information may be obtained from Mrs. G. P. Van Nuys, 20 Arlene Lane, Walnut Creek 6133, or from Mrs. George L. Kline of Concord.

Rainbow Girls Give To Therapy Center

For the past years the Mt. Diablo Therapy Center has been the object of an annual donation from the Rainbow Girls of Orinda, Lafayette, Walnut Creek and San Ramon Valley area. These young women earn money through their own efforts and in turn benefit the community in the way they feel best.

Barbara Andreasen, immediate past worthy advisor of the Rainbow Girls, gave the contribution last week. Anna Moscrop is mother advisor for the group.

'Frosh Frolic' Tonight at Gym

Acalanes freshmen class officers have put the finishing touches to the annual freshman social, "The Frosh Frolic," to be held tonight in the Acalanes gym.

Students in charge of committees arranging the dance are Barbara Stark, Donnalee Fey, Mary Matlock, Marcia Millu, Carol Creager and Pat Myers. William Ross is faculty adviser for the affair.

Hannan-Telfer Rites Tomorrow; Tea Given Pat

A lovely tea was attended by a large group of Contra Costa Kammas at the beautiful John Lar Rieu estate. Four Winds, in Walnut Creek, co-hosted by Mrs. Thomas E. Tryon in honor of Miss Patsy Hannan, who will become Mrs. Richard Telfer tomorrow in a ceremony at the Hannan home on Las Vegas in Orinda.

Pat looking precious in turquoise and gold receiving with her mother, Nancy Tryon, assisting her mom. Mrs. Lar Rieu on her own as her charming daughter, Mrs. Paul Sack, the former Prentice Lar Rieu, is now in France on a belated honeymoon. They left in June and have been touring all over the continent in a little Hillman Minx. They intend to be home in time to spend Christmas at Four Winds.

Mrs. Homer Yaeger and Mrs. Joseph C. Bronson presiding at the tea table. Nita says Ann is loving it at Santa Barbara.

Assistance rendered by Mrs. Munson Everett and Mrs. A. H. Zaeffel (the former Pat and Betty Manners) and Mrs. Addison Ausplund (formerly Roxanne Newberry). Addie's in Korea.

Among those filing past the tea table were:

Mesdames Fred Confer, Reginald Biggs, Alvin Langfield, Riemer Lahann, James C. Phillips, Frank Walrond, Raymond Willson, Charles Griffin, James Bruner, Horace C. Brown, John Chaddock, R. L. Bullitt, Nicolas Tolliaferro, H. W. Bogart, Bruce Eldridge, Arthur Wagstaff, Matthew Jellott, Ron Meyer, John Cunningham, William O'Dell, Mesdames Gerald McCue, Fred Meyer, Ray Ingalls, Vern Slaven with daughter Mardi, who is to be Pat's maid of honor, E. P. Soule, John Manners, Eugene Scofield, E. A. White, Kenneth Shipp, C. P. Pond, Jr., Robert Bridges, Marion Plant.

Mesdames Raymond Tolles, M. M. Garrett, Leland Scott, Fred Seiberger, Glen Logan, Paul Ayer, Duncan Knudsen, William Ornduff, Abbott Roberts, W. W. Wiggins, Thomas St. Hill, Frank Dunn, Rudolph C. Post.

Mesdames Jack Thaler, D. J. Findlay, Paul Diggle, Dwight Baldwin, William Babcock, Victor Cranston, John Witter of Ross, Charles Witter of Sebastopol and Merrill Whitney. There were also the Misses Marion Howard, Helen Nelson, Celia Wilson, Kathleen Johnson, Carol Holmes, Charlotte Moloyan, Mary Pat Roscoe, Vivienne Schmidt, Jane Gede, Lorraine Guerra and Margaret Kent.

Talks on Dope Problem

California's part in the national picture of dope usage will be explained by Fred Braumoeiller, agent of the State Bureau of Narcotic Enforcement, today when the Woman's Auxiliary to the Alameda-Contra Costa Medical Association meets at Lake Merritt Hotel.

Local Educators Head Committees Of Beta Nu Chapter

Mrs. Grayliss Vossler, principal of Vallecito School, Lafayette; Mrs. Alice Putnam, principal of the Buena Vista School, Walnut Creek, and Mrs. Doris Crosby, teacher at the Pleasant Hill School, are among committee chairmen of Beta Nu Chapter of Delta Kappa Gamma this year.

Mrs. Vossler is public relations chairman; Mrs. Putnam, scholarship; and Mrs. Crosby, initiation.

Their appointments and those of other committee heads were announced by Mrs. Evelyn Jeel, new president, at the chapter's first anniversary party October 5 at El Nido in Lafayette. Mrs. Jeel is curriculum supervisor of the Contra Costa School Department.

Other committee chairmen are Mrs. Elizabeth Johnson, budget; Mrs. Gladys Zumwalt, program and music; Mrs. Leone Fahy, publicity; Mrs. Edna Turner, recruitment; Mrs. Irene Spencer, research; Sadie Roberts, U.N.E.S.C.O.; Dorenda Solte, teacher welfare; Mrs. Loretta Lipe, courtesy; Mrs. Lela Sater, legislation; Mary Durkin, membership; and Mrs. Florence Nelson, nominations.

Wertheim Starts Garden Lectures; 3 More To Come

Ernest Wertheim, landscape architect and garden consultant, began a series of four garden lectures Tuesday evening to an enthusiastic group at the Walnut Creek Women's City Club.

These talks, sponsored by the East Contra Costa Junior College, are open without charge to the public.

His next lecture, "Fragrance in the Garden," will be presented Tuesday, October 23, at 7:30 p.m. at Women's City Club.

BROADWAY-WALNUT CREEK
GRAND OPENING NOVEMBER 8th

University Group 'Charter' Luncheon

The "Charter Member" luncheon celebrating the formation of the Walnut Creek branch of the American Association of University Women will be held at 12:45 p.m. tomorrow at the Art and Garden Center in Walnut Creek.

It was just a year ago—October 12, 1950—when a small group of Concord branch members met at the home of Mrs. Darrell G. Jensen in Walnut Creek to discuss formation of a local group.

TWENTY-TWO members of the Concord branch formed the nucleus of the Walnut Creek branch. Last June the Walnut Creek branch was one of 17 new branches added to the association.

Contra-Costa County has five of the 1176 branches scattered throughout the nation today—Walnut Creek, Concord, Martinez, Antioch and Richmond.

Guest of honor and speaker at tomorrow's luncheon will be Mrs. Anna L. Rose Hawkes, professor of education and Dean of Students at Mills College. She is present chairman of the Committee of Standards and Recognition for the American Association of University Women, and a member of the Board of Directors.

SHE RECEIVED her B.A. and M.A. degrees from George Washington University in Washington, D. C., and her Ph.D. from Columbia University. In the field of educational research she served on the staff of the Carnegie Foundation for the Advancement of Teaching and authored many books on education.

Her topic tomorrow will be "What the American Association of University Women Offers You."

Y.M.C.A. GROUP MEETS
The East Contra Costa Y.M.C.A. Management Committee met Tuesday night at the home of A. W. El-kinton at 11 Honey Hill Road, Orinda.

Parents Can Prevent Most Child Accidents

"Most child accidents with their tragic consequences can be prevented."

This statement, placing responsibility heavily upon parents, is by Dr. Robert Dyer of the California State Department of Public Health, as he emphasizes the importance of the current Child Safety Campaign being sponsored by the University of California and Stanford University Medical Schools and other child welfare groups.

More than 12,500 children die annually as the result of accidents and it is estimated that each year about 50,000 children in the nation are permanently crippled. A million and a half more receive disabling injuries due to accidents in the home area.

As a guide to parents, the following list of questions has been prepared:

1. Are poisons, including lye, other cleansing agents and medicines positively out of reach?
2. Have you placed ant poison so it will kill ants and not your children?
3. Are firearms and ammunition under lock and key?
4. Do you keep sharp instruments out of reach of young children?
5. Do you know positively where the children are when you back out of your garage?
6. Can your children get at your appliances, such as electric mixers and wringers?
7. Is the lawn mower and other machinery out of reach?
8. Do you keep your children away from bonfires, matches and lighters?
9. Are you sure there are no eyes or stuffings from toys that young children can strangle on?
10. Are your electric outlets covered and extension cords in good condition?
11. Do you ever leave baby "just a moment" in his bath?
12. Do you leave pot handles hanging over the front of your stove where a youngster can reach them and pull down on himself a pot of scalding hot fluid?

"Common sense tells you whether your answer is right or wrong. If you get even one wrong answer, you had better start searching your house and yard for other killers," Dr. Dyer says.

Hi-Lites on Hi-Life

By MARY THIES
AS I WAS TAKING my morning jaunt around school (I really don't enjoy going to class) I noticed a few minor changes.

A new parking lot was put in for visitors and teachers. Yet when you look at the old one (the one the students use) you'd think we didn't have any money to spend on new parking lots.

What's the matter — don't the students rate?
The rally committee went wild with paint brushes, and presto — we have some new and startling ticket booths. At least, people can find them now.

TO THOSE WHO DON'T have the "good fortune" to attend Acalanes, I'd like to give a glimpse of what life is like inside the walls.
It's really quite a simple matter to sign up for your classes. First you fill out three forms, and

then, a few weeks later, three more. Why? Who knows? I think the office staff must use them for scratch paper.

Most students don't have names—they have numbers. At least, all they can think about is numbers — gym locker and its combination, book locker and its combination, room numbers, roll call numbers for gym, dates, scores . . .

WHEN WE GO SOMEPLACE we march on the bus, ride in formation and march off. All we need is guards to make it complete.

Yet when we think about it — we're pretty lucky. How many other schools take the students to opera, field trips to Sacramento, San Francisco and other interesting places? Where else can you find such complete facilities for counseling, speakers and other activities?

THIS YEAR THEY HAVE started something new. Now if you want a part-time job or a full-time one during the summer, you can get help from the school.

Service clubs and employers in this area will be contacted concerning this service.

The first noon rally was held a week ago. The Albany game was held in the afternoon, and during the lunch hour the bleachers really were hopping.

If our rooting section has anything to do with our football team, we're a sure thing for heading the league!

Congratulations to our rally committee for a tough job well done.

HEY — WHAT DO YOU want to be when you get out of school?

If you have a general idea, you may get a chance to discuss your plans with a representative from your chosen field. I wonder if anyone wants to be a criminal!

Jewish Children At Sunday School Celebrate Sukkos

The start of the Sukkos Festival, which lasts for seven days and begins at sundown last Sunday, was celebrated last Sunday at Lafayette Town Hall by the children of the new Jewish Sunday School of Central Contra Costa County, who built a Sukkah.

The Sukkah, a wooden booth or hut with latticed roof, decorated with green leaves and branches, vegetables and fruits, is the outstanding symbol of this joyous autumn festival which reminds Jews throughout the world to give thanks for the blessings of the harvest. Fruit of the land, served to the children in the Sukkah, add to the pleasure and delight of this happy celebration.

The classrooms in Lafayette Town Hall, cleverly improvised by energetic fathers, were filled to overflowing October 7, when for the first time 40 bright-faced youngsters attended a Jewish Sunday School in this section of the county.

Enthusiasm of both the children and parents was reflected in the comments of the youngsters. Shirley Zuckerman of Walnut Creek, one of the seven-year-old students, said, "I didn't want to go home." Ann Rapoport, 12, of Orinda, remarked: "I wish this Sunday School were five days a week instead of only one."

Classes are held every Sunday from 10 a.m. to noon at Lafayette Town Hall. Registrations are still welcome.

Bay Point to Host November Meeting Of the Mt. Diablo P.T.A. Council

Next meeting of the Mt. Diablo Council of Parent-Teachers will be held November 13 at Bay Point with Mrs. Elliott Mauzy, president, presiding.

An unusually full program made up of the recent October meeting held at the Walnut Festival Recreation Building in Walnut Creek's City Park. Mrs. G. W. Lahr, junior past president of the California Congress of Parents and Teachers, who as a grandmother is a member of two of the Walnut Creek units, spoke of the purpose and needs of the P-T-A, information course she will conduct in Walnut Creek next month.

SHE IS AT PRESENT membership chairman of the National Congress of Parents and Teachers, and pointed out that P-T-A, is not solely a women's organization. Out of 7,000,000 members in the national P-T-A, 2,000,000 are fathers and 550,000 are teachers, she said.

School health programs was the subject of Dr. Henrick L. Blum who told representatives from the 21 schools of the council that only through the P-T-A, groups in the county can the County Health Department and school boards know

Christian Science Topic—Atonement

"Wherewith shall I come before the Lord, and bow myself before the high God? shall I come before him with burnt offerings, with calves of a year old? He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?"

These verses from Micah will be included this Sunday, October 21, in the Christian Science Lesson-Sermon on the subject "Doctrine of Atonement."

The Lesson-Sermon will consist of citations from ten different books of the Bible and of correlative passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, one of which will read: "He to whom 'the arm of the Lord' is revealed will believe our report, and rise into newness of life with regeneration. This is having part in the atonement; this is the understanding, in which Jesus suffered and triumphed" (p. 24).

Sideline Slants

Acalanes' Win Over Albany Too Close For Comfort; Dons Were Overconfident

By ERWIN MATTSON
MENTAL ATTITUDE HAS BEEN A SUBJECT of discussion many times in this column, and if ever the point was proven in local high school circles, it was last Friday afternoon.

The Acalanes Dons entered the Albany game a two-touchdown favorite, and when it was all over the Dons were out in front 7-6 after trailing the first half 6-0. Albany was inside the 10 in the final seconds of the game.

A two-weeks layoff for the Dons, the fact that it was Albany's first home game in the Contra Costa League and the fact that it was a day game were all contributing factors.

THE ACALANES LINE, which had torn the highly-rated El Cerrito eleven to shreds, carried out a sustained charge for a few minutes in the opening of the third quarter, produced a touchdown, and then went back to its relaxing ways.

Backs were off in timing and spasmodic in running. It was one of those days when the "spark" just wasn't there. Overconfidence and taking their opponents too lightly almost ended in an Albany upset of the dope bucket.

THE DONS DRAW another bye this week and then tackle the John Swett Indians next Friday, October 26, at Crockett.

It remains to be seen how well the Dons can come back, especially in view of the fact that John Swett considers Acalanes its "big game," and will go all-out for the win.

Diablo underrated the Indians last week when they ended the half with a 13-0 bulge and ended up fighting desperately to obtain a 20-19 win.

Rod Franz, new Diablo mentor, said, in talking about the game, that it was the toughest he was ever in! And that from all All-Acalanes it was the toughest he was ever in! And that from all All-Acalanes it was the toughest he was ever in!

Coaching can be a lot tougher than playing. Things go wrong and there are times when you can't do much about it except sweat it out.

THE CONTRA COSTA JUNIOR College eleven located at Martinez looks better each time out. It registered a win in its first league try last Saturday night under the lights of Mt. Diablo High. Marin J. C. was the opposition, and the Vikings of Contra Costa came through in impressive fashion.

It was interesting to note that every high school in this end of the county was represented in the starting lineup.

Brentwood, Antioch, Pittsburg, Concord, Alhambra and Acalanes all had representatives. It was interesting to see former rivals patting one another on the back and taking joy in a common victory.

future meetings will be on the fourth Monday of the month, it was announced.

James is a former Red Cross worker in Burma and was with the Army of Occupation in Greece. Most recently he spent four years in Nagoya, Japan, center of the Japanese ceramic industry. Comparing the art of Greece and Japan, James said: "After two years in Greece, I took to Japan a firm conviction that the ancient art of Greece — especially the marble of Sunion and the Acropolis — could not be surpassed. Four years in Japan completely changed that view."

To illustrate his lecture James will exhibit examples from his vast art collection. He will show modern paintings, ancient scrolls and both modern and ancient ceramics.

Dons Eke Out 7-6 Win Over Albany Cougars

Flatter than a pancake, the Acalanes Dons nevertheless managed to eke out a 7-6 win over the Albany Cougars in the 1951 opening league game at Albany High's new field last Friday afternoon.

The win was the third in a row for Acalanes and gave them an as yet unblemished record, having won their two practice tilts against Alhambra (21-6) and El Cerrito (20-7).

The Dons did it the hard way, giving Albany a 6-0 lead early in the first period.

ALBANY TOOK the opening kickoff and made a first down in three tries. On the second series of plays, with third down showing on the scoreboard, Albany's full-back, Dick Johnson, took the ball on a toss-out to the left and tossed downfield to end Dick Pawson.

The toss was good for 24 yards, and Pawson went the remaining 16 yards without being touched. Grady Johnson's try for point on a place kick sailed high but wide, and as things turned out that meant the ball game.

THE DONS CAME OUT fast and furious at the beginning of the second half and scored after Al Culp threw to Art Siler. The play was good for 65 yards when Art legged it to the 12 before being caught from behind.

Eddie Greub drove to the five yard marker; the next play was a juggled ball for no gain, and on try number 3 Greub ended up on the yard and a half mark, with Eric Murray driving off tackle to hit pay dirt and six points on down number 4.

QUARTERBACK Dick Fey then proceeded to toss a pass to end Roger Linn for the point after touchdown, making it 7-6.

That's the way it ended, as the Dons failed to make any sustained drives, and Albany kept everyone on their toes when they connected on a pass and run in the waning minutes ending up on the Dons' 12.

Diamond K

Sez...

SUMMER HAS left us and autumn is definitely here. The evenings are crisp chilly and the wise man struts thinking ahead for winter.

Winter and the rainy season poses many problems. How is the drainage around the house? Does the roof leak? How is the driveway? How about the service areas? All of these are thoughts for winter.

Diamond K carries a complete line of roofing materials — rolled roofing, tar, etc; drain rock and drain tile; and crushed rock and gravel for driveways and walk ways.

LAST WINTER we had many inquiries on stopping water seepage through retaining walls and basement walls. In other words, how can this be stopped? It can be licked in two ways.

One is by the use of Thompson Water Seal or by using a mixture of sand cement and Embecco scrubbed into the wall. If you are troubled by any of these problems, drop into Diamond K and we will talk them over and make suggestions.

NOW THAT the evenings are getting chilly let us again remind you to get your firewood and coal orders in early.

Besides firewood and coal, we also have mill ends, sacked stove wood, kindling and presto-logs. Don't put off ordering any longer. The wood is cured and dry so get it in before the rains.

Vets — See Hammond Before Complaining!

Before a veteran "takes his pen in hand" to complain to some governmental agency about delays in connection with his rights and benefits, he should try a visit or a telephone call to J. W. Hammond, veterans' service officer.

The reason cited by Hammond for this suggestion is that in most cases it will save the veteran valuable time, and in a few cases it may even save his entanglement in red tape.

WERE YOU MISTAKEN

So you thought my business was
Real Estate? Well it beats all how
these ideas get around. Just because
I have so many dandy listings, and
access to all those many listings, hun-
dreds of them (and because I have
mentioned it from time to time) you
naturally jumped to the conclu-
sion that my only place for chil-
dren to play is in the sun, a place to
look at the mountains, the trees,
the garden, the hedge of roses.
I sell a place to live the rest of your
life. I sell an estate that you can
pass on to your children. And so
in conclusion—a home is the ulti-
mate in human enjoyment and the
best bulwark against time and tide.

R. W. Alexander, Realtor

THE STOCK CAR

RACING CHAMPIONS

2 - 1950 Mercurys

This model won the Oakland Stock
Car Race last Sunday—Non-Stop
with an average of 81 miles per
hour on a five-quarter mile track.
And a quarter tank of gas left
at end of the race.

Need We Say More?

and we have

ITS BIG BROTHERS

2 - 1949 Lincolns

With overdrive, radio, heaters, that
have more value and miles per dol-
lar than any comparable car today
—at very little more than the low-
er priced cars.
